

# IOSO NYFLEX RIFLE BORE BRUSHES - IOSO PRODUCTS IOSO RIFLE BRUSH .30, .308 CAL

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Tough, long-lasting bore brushes thoroughly clean handguns, rifles and shotguns. Distinctive blue Nyflex bristles flex more than bronze, letting you scrub back and forth without fear of getting the brush stuck in the bore. Easily scrubs out all types of fouling, and the brass wire brush core won't scratch the bore. Handgun and rifle brushes have 8-32 male threads, and shotgun brushes have 5/16-27 male threads. Sold as single brushes.

## Attributes

# IOSSO NYFLEX RIFLE BORE BRUSHES Safety Instruction Guide

## Introduction

Thank you for choosing the IOSSO NYFLEX RIFLE BORE BRUSHES. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the bore brushes to ensure your safety and the longevity of the product.

## General Safety Guidelines

- Ensure that the bore brush is compatible with your firearm before use.
- Always handle firearms with care and follow all safety protocols.
- Keep the bore brushes out of reach of children and pets.
- Inspect the bore brush before each use for any signs of damage.
- Do not use the bore brush if it is damaged or worn out.
- Store the bore brushes in a dry place to prevent corrosion.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before cleaning.
- Wear safety glasses to protect your eyes from debris during cleaning.
- Use the bore brush in a wellventilated area to avoid inhaling any dust or particles.
- Do not force the bore brush into the bore; let the bristles do the work.
- Avoid using excessive force when scrubbing to prevent damage to the bore.
- Follow the manufacturer's instructions for cleaning solutions and solvents.
- Do not use the bore brush for purposes other than intended.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the IOSSO NYFLEX RIFLE BORE BRUSH.

### 2. Installation:

- Attach the bore brush to a cleaning rod with an 832 male thread (for rifles) or a 5/1627 male thread (for shotguns).
- Ensure that the connection is secure before use.

### 3. Usage:

- Insert the bore brush into the firearm's bore.
- Gently scrub back and forth to remove fouling and debris.
- Avoid forcing the brush into the bore; allow the bristles to flex and clean effectively.
- After cleaning, remove the bore brush and inspect for debris.
- Clean the bore with a suitable solvent if necessary.

### 4. PostUse Care:

- Clean the bore brush after each use to maintain its effectiveness.

- Store the bore brush in a protective case or holder to prevent damage.

## **Disposal Instructions**

- Dispose of any damaged or worn bore brushes in accordance with local waste disposal regulations.
- Do not dispose of the bore brush in regular household waste if it is contaminated with cleaning solvents or chemicals.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the IOSSO NYFLEX RIFLE BORE BRUSHES, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy using your IOSSO NYFLEX RIFLE BORE BRUSHES responsibly!
