# GRIP EXTENDER FOR GLOCK® 20/21 Safety Instruction Guide

## Introduction

Thank you for choosing the GRIP EXTENDER FOR GLOCK® 20/21. This product is designed to enhance your grip on your Glock firearm by filling the space between a compact frame and the bottom of a full-sized magazine. It is essential to follow the safety instructions outlined in this guide to ensure safe usage and compliance with EU safety regulations.

## General Safety Guidelines

- Ensure that the grip extender is compatible with your Glock model before installation.
- Always handle firearms safely and responsibly, in accordance with local laws and regulations.
- Keep the grip extender out of reach of children and unauthorized users.
- Regularly inspect the grip extender for signs of wear or damage. If any issues are detected, discontinue use immediately.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not use the grip extender if it is damaged or shows signs of wear.
- Ensure that the grip extender is securely attached to the magazine before use.
- Avoid using the grip extender with incompatible magazines or firearms.
- Be aware of your surroundings when handling firearms equipped with the grip extender.
- Always store your firearm in a secure location when not in use, with the grip extender removed if necessary.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Take the grip extender out of its packaging.
- Align the grip extender with the bottom of the magazine.
- Firmly press the grip extender onto the magazine until it is fully seated.
- Check that the grip extender is secure and does not move when pulled.

### 2. Usage

- Grip the firearm as you normally would, ensuring that your hand is comfortable and secure on the grip extender.
- Use the firearm in accordance with local laws and regulations.
- Practice safe handling techniques, including keeping the firearm pointed in a safe direction and keeping your finger off the trigger until ready to shoot.

## Disposal Instructions

- Dispose of the grip extender in accordance with local waste disposal regulations.
- Do not incinerate or expose the product to extreme heat.
- If the grip extender is damaged or no longer usable, consider recycling where facilities exist.

## **Contact Information for Further Support**

For any questions or concerns regarding the GRIP EXTENDER FOR GLOCK® 20/21, please refer to the manufacturer's contact information provided on the packaging or product documentation. It is essential to reach out to the manufacturer for safety inquiries and additional support.

By following these guidelines, you can ensure a safe and effective experience with your GRIP EXTENDER FOR GLOCK® 20/21. Always prioritize safety and compliance with regulations when handling firearms.
