

AR-15 M16 A1 LOWER RECEIVER - BROWNELLS BRN-16A1 M16A1 LOWER RECEIVER GRAY

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Lower Receivers](#)

Designed in conjunction with Nodak Spud, the BRN-16A1 Lower Receiver matches the features of the original M16A1 Receiver. Perfect for a "Retro" or reproduction build, these lowers precisely mirror the original profile. Features specific to the BRN-16A1 Lower Receiver are the proper M16A1 front takedown lug profile, and profile surrounding the receiver extension. Most forged lower receivers produced today feature "A2" profiles, which are incorrect for M16A1 reproduction builds. The lower starts off as a 7075 T6 aluminum forging, then is machined to mil-spec dimensions. Once machined, the lower is finished with a matte black hard anodized finish. This finish matches modern uppers found on the market today, as well as the Brownells M16A1 Upper Receiver sold separately. Standard AR-15 components will work perfectly with this lower. Simple, engraved markings on the lower include: Model: BRN-16A1 Cal: 5.56mm Mfg: Brownells Inc This lower is the proper receiver for the following reproduction builds: M16A1 Model 619 Model 629 Model 630 / GAU-5A Model 639 Model 649 / GAU-5A/A Model 651/652 Model 653/654 Mk 18 Mod 0 Mk 12

Consumer Safety Instruction Guide for AR15 M16 A1 Lower Receiver

Introduction

Thank you for purchasing the AR15 M16 A1 Lower Receiver from Brownells. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure you are familiar with all local laws and regulations regarding firearm assembly and usage.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Store the lower receiver in a secure location, away from children and unauthorized users.
- Regularly inspect the lower receiver for any signs of damage or wear.
- Use only compatible parts and components when assembling your firearm.
- Follow all manufacturer instructions for any accessories or components used with this lower receiver.
- Be aware of your surroundings and ensure you are in a safe environment when handling firearms.

Specific Safety Precautions for Use

- Only individuals who are legally allowed to own and operate firearms should handle this lower receiver.
- Always wear appropriate safety gear, such as eye and ear protection, when using firearms.
- Do not modify or alter the lower receiver in any way that could affect its performance or safety.
- Ensure the firearm is unloaded before performing any maintenance or assembly tasks.
- Keep the firearm pointed in a safe direction at all times.
- If you are unsure about any aspect of the assembly or use, seek assistance from a qualified professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components for assembly.
- Ensure you are in a welllit and clean workspace.

2. Installation Steps:

- Begin by ensuring the lower receiver is free from any obstructions.
- Install the trigger assembly according to the manufacturer's specifications.
- Attach the receiver extension and ensure it is securely fastened.
- Install the stock and ensure it is properly aligned and locked into place.
- Check all components for proper fit and function before proceeding.

3. Usage:

- When using the firearm, ensure you are familiar with its operation and safety features.
- Always perform a function check before firing to confirm that all components are working as intended.
- Follow all safety protocols when firing, including using a proper stance and grip.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the lower receiver is damaged beyond repair, contact a qualified firearms disposal service to ensure safe and responsible disposal.
- Do not discard the lower receiver in regular household waste.

Contact Information for Further Support

For any inquiries or further assistance regarding the AR15 M16 A1 Lower Receiver, please refer to the manufacturer's contact information provided on the product packaging or official website.

Conclusion

Thank you for your attention to these safety guidelines. Proper handling and care of your AR15 M16 A1 Lower Receiver will enhance your experience and ensure safety for you and others. Always prioritize safety when handling firearms and seek professional guidance when needed.
