

IRON SIGHT SLIDE FOR GLOCK® 26 - BROWNELLS BRN IRON SIGHT SLIDE FOR GEN 1-4 GLOCK 26, BLACK NITRIDE

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

Your Favorite Handgun Slide Just Got Better

Built for personal-defense use, the Glock® G26 is sized right for daily carry and is aimed at an ever-increasing market of concealed carriers who depend on their guns for protection. To enhance the G26's utility in life-threatening scenarios, the Brownells Glock® G26 Iron Sight Slide makes manipulation easier than ever. Doing away with the standard Glock® OEM slide serrations, which are located only on the slide flats, the wraparound design used on the Brownells Glock® G26 Iron Sight provides more gripping surface for users, so they can confidently work the slide, even in soaking-wet conditions. As an added bonus, the slides make the pistol look pretty cool, also. Inside the Brownells Glock® G26 Iron Sight, all dimensions meet Glock® OEM specifications and will work with all factory and aftermarket components designed for use in Glock® G26 OEM factory slides. Channel liner required for these slides. Channel liners are a press fit and require a tool to install.

Safety Instruction Guide for IRON SIGHT SLIDE FOR GLOCK® 26

Introduction

Thank you for choosing the Brownells Iron Sight Slide for your Glock® 26. This product is designed to enhance the utility and functionality of your firearm, particularly in personal defense situations. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Do not engage in reckless behavior when handling firearms.
- Ensure that the firearm is stored securely and out of reach of children.
- Always use appropriate eye and ear protection when shooting.
- Regularly inspect your firearm and accessories for wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- **Product Compatibility:** Ensure that the Iron Sight Slide is compatible with your Glock® 26. The slide is designed for use with Glock® OEM factory components.
- **Installation:** Channel liners are required for these slides. Ensure that you have the proper tools for installation.
- **Wet Conditions:** The wraparound design provides better grip, but always exercise caution when manipulating the slide in wet conditions.
- **Modification Warning:** Do not alter the slide or any associated components, as this may compromise safety and functionality.
- **User Responsibility:** It is the responsibility of the user to ensure that the firearm is used safely and in accordance with local laws.

Instructions for Installation and Usage

Installation Steps

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a press tool for the channel liner.
2. **Prepare the Firearm:** Ensure your Glock® 26 is unloaded and pointed in a safe direction.
3. **Remove the Old Slide:** Carefully remove the existing slide from the Glock® 26, following the manufacturer's instructions.
4. **Install Channel Liner:** Press the channel liner into the slide using the appropriate tool.
5. **Attach Iron Sight Slide:** Align the new Iron Sight Slide with the frame and carefully slide it into place.
6. **Check Functionality:** Once installed, check that the slide operates smoothly and that all components function correctly.

Usage Guidelines

- Always ensure that the firearm is pointed in a safe direction when loading or unloading.
- Practice proper grip and handling techniques to maintain control during operation.
- Regularly clean and maintain your firearm and slide to ensure optimal performance.

Disposal Instructions

- Dispose of any damaged or unusable firearm components in accordance with local laws and regulations.
- Do not dispose of the Iron Sight Slide in regular household waste. Contact local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please contact the relevant support services in your area. Ensure that you have the product details and any relevant information ready for a more efficient response.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your Brownells Iron Sight Slide for Glock® 26. Thank you for prioritizing safety and responsible firearm use.
