

MATCH GRADE BARRELS FOR GLOCK® 21 - BROWNELLS BRN PISTOL BARREL FOR GLOCK 21, .45 ACP, THREADED, BLACK

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

Helps You Achieve the Full Potential of Your Big Bore Glock?

Our Match-Grade Barrel for the Glock® 21 is a premium barrel machined from hardened 416R stainless steel to precise dimensions, so it delivers a tight lockup that helps ensure superb accuracy. It's a drop-in fit to most guns, too. And the extra-hard Black Nitride finish resists surface wear and stops in its tracks whatever corrosion might try to challenge the stainless steel. This .45 ACP chambered barrel is button-rifled with standard, 1-10" right-hand, 6-groove rifling that is compatible with the non-jacketed bullets of inexpensive "practice" ammo. You can get your match barrel for Glock® 21 with either a Plain muzzle or Threaded (.578"-28 tpi) to enable installation of a compensator or sound suppressor. Both have an 11-degree target crown, and each is laser engraved with the chambering and the Glock® model it fits. Fits Glock® 21 Hardened 416R stainless steel Non-reflective Black Nitride anti-corrosion finish Chambered in .45 ACP Button-rifled, 6-grooves, 1-10" twist Available with .578"-28 tpi threaded muzzle A Match-Grade Barrel for your Glock® 21 from Brownells is an excellent replacement for a shot-out factory barrel, and it's the ideal tube for a custom gun built on a Polymer80 PF45 frame!

Safety Instruction Guide for MATCH GRADE BARRELS FOR GLOCK® 21

Introduction

Thank you for choosing the MatchGrade Barrel for your Glock® 21 from Brownells. This guide provides essential safety information and instructions to ensure the safe and effective use of your new barrel. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the barrel is installed by a qualified gunsmith if you are not familiar with firearms assembly.
- Always treat firearms as if they are loaded, even when they are not.
- Store your firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and barrel for signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and use.
- Always wear appropriate eye and ear protection when using firearms.

Specific Safety Precautions for Use

- Do not use the barrel with ammunition that exceeds the specifications for the Glock® 21.
- Ensure that the barrel is compatible with your specific Glock® model before use.
- Avoid using nonjacketed bullets if you are concerned about barrel wear.
- Be aware of the threading on the muzzle; ensure that any attached devices (e.g., suppressors) are properly rated for use with your barrel.
- If you experience any malfunction or unusual behavior during use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded before beginning installation.
- Remove the factory barrel from the Glock® 21 according to the manufacturer's instructions.
- Insert the MatchGrade Barrel into the slide, ensuring it is seated properly.
- Reassemble the firearm according to the manufacturer's instructions.
- Verify that the barrel is securely in place before use.

2. Usage:

- Confirm that you are using .45 ACP ammunition and that it is suitable for your firearm.
- Fire the firearm in a safe and controlled environment, following all standard shooting practices.
- Regularly clean and maintain the barrel to ensure optimal performance and longevity.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm parts and materials.
- If the barrel is damaged or no longer usable, consult local waste management authorities for proper disposal methods.
- Do not dispose of the barrel in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the MatchGrade Barrel for Glock® 21, please consult your local firearms dealer or a qualified gunsmith. Ensure that you have the product details available for reference.

By following these guidelines and precautions, you can ensure a safe and enjoyable experience with your MatchGrade Barrel for Glock® 21. Thank you for your attention to safety.
