

MATCH GRADE CONVERSION BARRELS FOR GLOCK® 22 - BROWNELLS G22 BARREL GEN 2-4 9MM BLACK NITRIDE

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

Convert a .40 Caliber Glock? to 9mm AND Also Improve its Performance!

This drop-in Match-Grade Conversion Barrel enables you to change your .40 S&W chambered Glock® 22 to shoot 9mm Luger (9x19mm) ammo. It's machined from high-grade 416R stainless steel alloy to precise dimensions to ensure a tight lockup for improved accuracy potential. The hard Black Nitride finish resists surface wear and stops in its tracks whatever corrosion might try to challenge the stainless steel. Our match conversion barrel fits Gen2 through Gen4 variants of the Glock 22, and will be a drop-in install on most guns. Button-rifled with standard, 1-10" right-hand, 6-groove rifling that is compatible with the non-jacketed bullets found on some inexpensive "practice" ammo. Available with either a Plain muzzle or Threaded (1/2"-28 tpi) to enable installation of a compensator or sound suppressor. Both have an 11-degree target crown, and each is laser engraved with the chambering and the Glock model it fits. Glock® 22 Gen2 thru Gen4 G17-compatible 9mm magazine required to complete the conversion (not included) Extra-strong 416R stainless steel alloy Black Nitride anti-corrosion finish Button-rifled 1-10" twist Threaded model has 1/2"-28 tpi threads Got a Glock® 22 with a shot-out factory barrel? Swap in a Brownells match-grade conversion barrel and enjoy the gentler recoil and lower cost of 9mm ammo. Remember: to complete the conversion, you'll also need to swap in a Glock 17 compatible 9mm magazine.

Safety Instruction Guide for Match Grade Conversion Barrels for Glock® 22

Introduction

Thank you for choosing the Match Grade Conversion Barrel for your Glock® 22. This product allows you to convert your .40 S&W chambered Glock® 22 to shoot 9mm Luger (9x19mm) ammunition. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that you are of legal age to purchase and use firearms and firearm accessories in your jurisdiction.
- Always handle firearms with care, treating every gun as if it is loaded.
- Store ammunition and firearms securely and out of reach of children and unauthorized users.
- Use protective eyewear and hearing protection when shooting.
- Follow all local laws and regulations regarding firearms and ammunition.
- Regularly inspect your firearm and accessories for wear and damage.

Specific Safety Precautions for Use

- This conversion barrel is designed for use with Glock® 22 models Gen2 through Gen4 only.
- Ensure that the barrel is fully and correctly installed before using the firearm.
- Always use 9mm Luger (9x19mm) ammunition that is compatible with your Glock® 22.
- Do not use reloaded or improperly manufactured ammunition.
- Be aware that switching from .40 S&W to 9mm may affect the performance and handling of your firearm.
- If you experience any malfunctions or unusual behavior, discontinue use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and the magazine is removed.
- Disassemble your Glock® 22 according to the manufacturer's instructions.
- Remove the existing .40 S&W barrel from the slide.
- Insert the Match Grade Conversion Barrel into the slide, ensuring it is seated correctly.
- Reassemble your Glock® 22 and check for proper function.

2. Usage:

- Load the firearm with a Glock® 17 compatible 9mm magazine (not included).
- Ensure that the firearm is pointed in a safe direction before loading.
- After loading, check that the barrel is properly locked in place.
- Fire the firearm only in a controlled environment, following all safety protocols.

Disposal Instructions

- Dispose of any used or damaged barrels in accordance with local regulations.
- Do not dispose of barrels or firearm parts in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Match Grade Conversion Barrel, please refer to the manufacturer's website or customer support resources.

By following these guidelines, you can help ensure a safe and enjoyable shooting experience. Thank you for your attention to safety and responsible firearm use.
