# BRN180™ Complete Bolt Assembly Safety Instructions

## Introduction

Thank you for choosing the BRN180™ Complete Bolt Assembly. This product is designed for use with the BRN180™ Upper Receiver and is compatible with 223 Wylde or 300 Blackout models. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information about product safety, usage, and disposal.

## General Safety Guidelines

- Always handle the bolt assembly with care and ensure it is not loaded when performing maintenance or installation.
- Store the assembly in a secure location, out of reach of children and unauthorized users.
- Inspect the assembly regularly for signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding the use and ownership of firearms and firearm components.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is completely unloaded before installing or replacing the bolt assembly.
- Use only compatible models (Gen1 or Gen2 BRN180™) to avoid malfunction.
- Avoid using the assembly with ammunition that exceeds specified limits (223 Remington, 5.56 mm NATO, 300 AAC Blackout).
- Never attempt to modify or alter the bolt assembly. Doing so may compromise safety and functionality.
- Wear appropriate eye and ear protection when operating firearms equipped with this bolt assembly.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if applicable).

### 2. Installation:

- Remove the existing bolt assembly from the upper receiver by following the manufacturer's instructions.
- Carefully insert the new BRN180™ Complete Bolt Assembly into the upper receiver.
- Ensure that the ejector and extractor hardware are properly positioned and secured.
- Perform a visual inspection to confirm that the assembly is installed correctly.

### 3. Usage:

- Load the firearm only when ready to shoot.
- Always keep the firearm pointed in a safe direction.
- Follow all standard firearm safety practices during operation.

### 4. PostUsage:

- After use, clean and maintain the bolt assembly according to the manufacturer's

recommendations.

- Store the assembly in a secure location when not in use.

## **Disposal Instructions**

- Dispose of the bolt assembly in accordance with local regulations regarding firearm components.
- Do not discard in regular household waste.
- Contact local waste management authorities for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the BRN180™ Complete Bolt Assembly, please consult the manufacturer's website or contact their customer service for assistance. Ensure you have the product details on hand for a more efficient response.

Thank you for prioritizing safety while using the BRN180™ Complete Bolt Assembly. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
