# BRN180™ Recoil Block with Guide Rods Safety Instructions

## Introduction

Thank you for choosing the BRN180™ Recoil Block with Guide Rods. This product is designed to enhance the functionality of your BRN180™ Upper Receiver. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearm components with care and attention.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage before use.
- If you notice any defects or issues, do not use the product and contact the manufacturer.
- Follow all local laws and regulations regarding firearm components and accessories.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearm components.
- Ensure that the firearm is unloaded and pointed in a safe direction during installation and maintenance.
- Avoid using excessive force during installation to prevent damage to the recoil block or upper receiver.
- Do not modify the recoil block or guide rods in any way that could compromise their integrity or function.
- Be aware of potential pinch points when installing or removing the recoil block.

## Instructions for Installation and Usage

### 1. Preparation

- Gather the necessary tools for installation, including a suitable wrench or screwdriver.
- Ensure that your workspace is clean and free from distractions.

### 2. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing recoil block if applicable.
- Align the BRN180™ Recoil Block with Guide Rods with the designated mounting area on the upper receiver.
- Secure the recoil block in place using the appropriate screws or fasteners, ensuring a snug fit.
- Doublecheck that the guide rods are properly seated and aligned.

### 3. Usage

- After installation, conduct a function check to ensure the recoil block operates correctly.
- Regularly inspect the recoil block and guide rods for any signs of wear or damage during routine firearm maintenance.
- If any issues arise during use, cease operation immediately and inspect the components.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, follow your local guidelines for the

disposal of firearm components and accessories.

## **Contact Information for Further Support**

For any inquiries regarding the safety and usage of the BRN180™ Recoil Block with Guide Rods, please refer to the manufacturer's contact details provided on the packaging or product documentation.

By adhering to these safety instructions, you can ensure a safe and effective experience with your BRN180™ Recoil Block with Guide Rods. Thank you for prioritizing safety in your firearm practices.
