

LEUPOLD TORX SCREWS - BROWNELLS TORX HEAD BASE SCREWS, 6-48 THREAD, .150" LENGTH, BLUE

[Gunsmith Tools](#) > [Sight & Scope Installation Tools](#) > [Replacement Sight Screws](#)

Convenient 12 Paks Of The Most Useable Sizes For Scope Mounting Applications

Refill your Leupold factory screw kit or keep these extra-strong, heat-treated screws on hand for your customers and yourself. We've put together the most requested screw sizes in money-saving 12 Paks so it's easier to convert existing rings and bases to Torx head without having to buy more than you need. These are the same screws used by Leupold but will fit many other brands of rings and bases.

Safety Instruction Guide for LEUPOLD TORX SCREWS

Introduction

Thank you for choosing LEUPOLD TORX SCREWS. This guide provides important safety information to ensure the safe use and installation of these screws. Please read this guide carefully to avoid hazards and ensure proper usage.

General Safety Guidelines

- Ensure the screws are used only for their intended purpose.
- Keep screws out of reach of children and vulnerable individuals.
- Inspect screws for damage or defects before use. Do not use damaged screws.
- Store screws in a dry, cool place to prevent corrosion.
- Follow all local regulations regarding the disposal of screws.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as gloves and eye protection, when handling screws.
- Use the correct tools for installation to avoid stripping the screw heads.
- Do not overtighten screws, as this may cause damage to the base or ring.
- Ensure that the surface where screws are installed is clean and free from debris.
- Do not mix different types or sizes of screws during installation.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools: a Torx screwdriver compatible with the screw size.
- Ensure that the mounting surface is clean and dry.

2. Installation:

- Align the screw with the predrilled hole in the base or ring.
- Insert the screw into the hole.
- Using the Torx screwdriver, turn the screw clockwise until it is snug. Do not overtighten.
- Repeat the process for all screws being installed.

3. PostInstallation:

- Check that all screws are securely fastened.
- Test the stability of the mounted item to ensure proper installation.

Disposal Instructions

- Dispose of screws in accordance with local waste disposal regulations.
- Do not dispose of screws in regular household waste if local regulations require special disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns, please refer to your local distributor or the manufacturer's contact point in the EU. Always ensure that you have the latest safety information regarding your product.

By following these guidelines, you will help ensure safe and effective use of LEUPOLD TORX SCREWS. Thank you for your attention to safety.
