# Safety Instruction Guide for AR15/M16 Bolt Gas Rings

## Introduction

Thank you for choosing the AR15/M16 Bolt Gas Rings from BROWNELLS. These highquality replacement springs are designed to enhance the performance of your AR15 rifle. This safety instruction guide provides essential information to ensure safe usage, installation, and maintenance of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Always handle firearms with care and follow all safety protocols associated with firearm usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the gas rings for wear and damage before each use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the AR15/M16 Bolt Gas Rings with compatible AR15 platforms.
- Do not exceed the manufacturer's recommended specifications for installation and use.
- Ensure that the rifle is unloaded and pointed in a safe direction before performing any maintenance or installation.
- Wear appropriate safety gear, such as eye protection, while handling firearms and performing maintenance.
- If you are unsure about installation or usage, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and free from distractions.
- Gather necessary tools: a punch tool, hammer, and cleaning supplies.

### 2. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the bolt carrier group from the upper receiver.
- Locate the old gas rings and remove them from the bolt.
- Clean the bolt thoroughly to remove any debris or carbon buildup.
- Install the new gas rings by sliding them onto the bolt. Ensure they are positioned correctly.
  - Note: It is recommended to stagger the gaps of the gas rings for optimal sealing.
- Reassemble the bolt carrier group and ensure it is functioning properly.

### 3. Usage:

- After installation, test the rifle in a safe environment to ensure proper functionality.
- Regularly check the gas rings for wear and replace them as necessary to maintain performance.

## **Disposal Instructions**

- Dispose of old or damaged gas rings in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or additional support regarding the AR15/M16 Bolt Gas Rings, please consult the manufacturer's official website or contact your local dealer for assistance.
