# Safety Instruction Guide for AR15/M16 Forward Assist Springs

## Introduction

Thank you for choosing the AR15/M16 Forward Assist Springs by Brownells. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure the product is compatible with your specific firearm model.
- Store the springs in a dry, cool place away from direct sunlight.
- Always handle firearms with care and follow proper safety protocols.
- Keep the product out of reach of children and unauthorized individuals.
- Regularly inspect the springs for wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the springs in firearms that are designed for AR15/M16 models.
- Avoid using the product if it shows signs of damage or wear.
- Ensure that the firearm is unloaded before attempting to install or replace the springs.
- Wear safety goggles during installation to protect your eyes from potential debris.
- Follow all local laws and regulations regarding firearm modifications and parts.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your workspace is clean and organized.
- Gather necessary tools (e.g., screwdrivers, pliers) before starting.

### 2. Installation Steps

- Ensure the firearm is unloaded and pointed in a safe direction.
- Disassemble the upper receiver according to the manufacturer's instructions.
- Locate the forward assist mechanism.
- Remove the old spring if applicable, following proper disassembly procedures.
- Insert the new forward assist spring into the designated area.
- Reassemble the upper receiver, ensuring all components are securely in place.

### 3. PostInstallation Checks

- After installation, perform a function check to ensure the forward assist operates correctly.
- Inspect the installation area for any loose parts or misalignments.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of springs in regular household waste. Instead, use designated recycling or hazardous waste disposal facilities.
