A "Blank Canvas" for Your Next Custom Pistol Masterpiece

Brownells Blank Slides for Glock® pistols come with the exterior left smooth and featureless so you can customize it exactly the way you want it. Add cocking serrations, an optic mounting slot, and cosmetic flourishes to make it entirely your own. (Yes, you will need to bring some machining skills to the table!) Inside, the dimensions fully machined to factory dimensions, so your Brownells Blank Slide for Glock comes ready to fit a factory-spec frame and accept Gen 3 factory and aftermarket barrels and parts. Models for Gen3 Glock® 17 Machined from firearm-grade 17-4 stainless steel Heat treated to 41-44 on the Rockwell C scale Comes "in-the-white" so you can apply the finish of your choice Includes Glock factory front and rear sight dovetails Sometimes "off the shelf" works, sometimes you want to do it your way. When you're ready to build your own Glock®-platform Dream Gun™, reach for a Brownells Blank Slide. Channel liner required for these slides. Channel liners are a press fit and require a tool to install.

Safety Instruction Guide for Brownells Blank Slide for Gen3 Glock® 17

Introduction

Thank you for choosing the Brownells Blank Slide for Gen3 Glock® 17. This guide provides important safety information and instructions to ensure the safe use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the operation of your Glock® pistol before using the Brownells Blank Slide.
- Always treat firearms with respect and assume they are loaded until verified otherwise.
- Keep firearms and ammunition out of reach of children and unauthorized users.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling or modifying firearms.
- Regularly inspect your firearm and parts for wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- The Brownells Blank Slide is designed for use with Gen3 Glock® 17 models only. Using it with incompatible models may result in malfunction or injury.
- Proper machining skills are required for customization. If you are not experienced, seek assistance from a qualified gunsmith.
- Ensure that the slide is securely attached to the frame before use. A loose slide can lead to malfunctions.
- Avoid using excessive force when installing or modifying the slide to prevent damage.
- Follow all local laws and regulations when customizing or using your firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a channel liner installation tool.

2. Installation:

- Remove the existing slide from your Glock® 17 by following the manufacturer's instructions.
- Install the channel liner into the Brownells Blank Slide. Ensure it is a press fit and use the appropriate tool for installation.
- Align the Brownells Blank Slide with the frame of your Glock® 17.
- Securely attach the slide to the frame, ensuring it is locked in place.

3. Customization:

- Customize the slide as desired, adding cocking serrations, optic mounting slots, or other features.
- Ensure that any modifications do not interfere with the functionality of the firearm.

4. Testing:

- After installation, conduct a function check to ensure the slide operates correctly with the frame

and barrel.

- Test fire the firearm in a safe and controlled environment to confirm proper operation.

Disposal Instructions

- Dispose of any unused parts or packaging in accordance with local regulations.
- Do not dispose of firearms or firearm parts in regular trash. Follow local laws for hazardous waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the Brownells Blank Slide for Gen3 Glock® 17, please consult the manufacturer's website or contact their customer support for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your Brownells Blank Slide. Always prioritize safety and compliance with local laws when handling firearms.
