

AR-15 M16 A1 LOWER RECEIVER - BROWNELLS AR-15 M16 A1 LOWER RECEIVER BLACK

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Lower Receivers](#)

Designed in conjunction with Nodak Spud, the BRN-16A1 Lower Receiver matches the features of the original M16A1 Receiver. Perfect for a "Retro" or reproduction build, these lowers precisely mirror the original profile. Features specific to the BRN-16A1 Lower Receiver are the proper M16A1 front takedown lug profile, and profile surrounding the receiver extension. Most forged lower receivers produced today feature "A2" profiles, which are incorrect for M16A1 reproduction builds. The lower starts off as a 7075 T6 aluminum forging, then is machined to mil-spec dimensions. Once machined, the lower is finished with a matte black hard anodized finish. This finish matches modern uppers found on the market today, as well as the Brownells M16A1 Upper Receiver sold separately. Standard AR-15 components will work perfectly with this lower. Simple, engraved markings on the lower include: Model: BRN-16A1 Cal: 5.56mm Mfg: Brownells Inc This lower is the proper receiver for the following reproduction builds: M16A1 Model 619 Model 629 Model 630 / GAU-5A Model 639 Model 649 / GAU-5A/A Model 651/652 Model 653/654 Mk 18 Mod 0 Mk 12

Safety Instruction Guide for AR15 M16 A1 Lower Receiver

Introduction

Thank you for choosing the AR15 M16 A1 Lower Receiver by Brownells. This guide provides essential safety information and usage instructions to ensure safe handling and operation of the product. Please read this guide carefully before using the lower receiver.

General Safety Guidelines

- Ensure that the product is used only by individuals who are familiar with firearms and their operation.
- Always treat the lower receiver as if it is loaded, even when not in use.
- Keep the lower receiver out of reach of children and unauthorized users.
- Store the lower receiver in a secure location when not in use.
- Regularly inspect the lower receiver for any signs of wear or damage.
- Follow all local, state, and federal laws regarding firearm assembly and use.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) when handling firearms, including eye and ear protection.
- Ensure that the area where you are assembling or using the firearm is safe and secure.
- Do not exceed the manufacturer's specifications for ammunition or modifications.
- Avoid using the lower receiver in wet or damp conditions to prevent corrosion.
- Do not attempt to modify the lower receiver beyond its intended use.
- Be aware of your surroundings and ensure that no one is in the line of fire when handling the firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure that you have a clean, dry workspace.
- Gather all necessary tools and components required for assembly.
- Follow the manufacturer's instructions for assembling the lower receiver with compatible upper receivers and components.
- Securely attach the receiver extension and ensure it is properly aligned.
- Check that all screws and components are tightened to the recommended specifications.

2. Usage:

- Before each use, inspect the lower receiver to ensure it is free of obstructions or damage.
- Load the firearm in a safe environment, following all safety protocols.
- Always point the firearm in a safe direction when loading, unloading, or handling.
- After use, clean and maintain the lower receiver according to the manufacturer's guidelines.

Disposal Instructions

- Dispose of any damaged or worn components of the lower receiver in accordance with local laws and regulations.
- When disposing of the lower receiver, ensure that it is rendered inoperable to prevent unauthorized use.

- If you are unsure about the disposal process, contact your local waste management authority for guidance.

Contact Information for Further Support

For further support and inquiries regarding the AR15 M16 A1 Lower Receiver, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Thank you for taking the time to read this safety instruction guide. Your safety and the safety of those around you are of utmost importance. Always prioritize responsible firearm handling and adhere to all safety guidelines.
