Safety Instruction Guide for Brownells 6.5 Grendel AR15 Barrel

Introduction

Thank you for choosing the Brownells 6.5 Grendel AR15 Barrel. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of this product. Please read and follow these instructions carefully to maximize your safety and the performance of your firearm.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that your firearm is stored in a secure location, out of reach of children and unauthorized users.
- Use only the appropriate ammunition specified for this barrel (6.5 Grendel).
- Always wear appropriate safety gear, including eye and ear protection, when using your firearm.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.
- Regularly inspect your barrel and firearm for any signs of wear or damage before use.
- Do not modify or alter the barrel in any way that could affect its performance or safety.

Specific Safety Precautions for Use

- Ensure that the barrel is properly installed on your AR15 before use.
- Check the barrel for obstructions before firing.
- Avoid using damaged or improperly maintained firearms.
- Do not exceed the recommended ammunition specifications for your barrel.
- If you experience any malfunctions or unusual behavior from your firearm, stop using it immediately and consult a qualified gunsmith.
- Keep your fingers off the trigger until you are ready to fire.
- Do not engage in shooting activities while under the influence of alcohol or drugs.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and the safety is engaged.
- Remove the existing barrel from your AR15 following the manufacturer's instructions.
- Clean the barrel extension and receiver to remove any debris or residue.
- Align the Brownells 6.5 Grendel barrel with the receiver and secure it according to the manufacturer's specifications.
- Ensure that the barrel is properly torqued to the recommended specifications.

2. Usage:

- Load the firearm with the appropriate 6.5 Grendel ammunition.
- Confirm that the safety is engaged before loading.
- Once ready to fire, disengage the safety and aim at your target.
- After firing, ensure that the firearm is cleared and the barrel is free from any obstructions before reloading.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations.
- If the barrel is damaged or no longer usable, consider contacting a local recycling facility that accepts metal products.
- Do not dispose of the barrel in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product information, please contact your local authorized dealer or the manufacturer directly. Ensure that you have your product details ready for a more efficient response.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your Brownells 6.5 Grendel AR15 Barrel. Thank you for prioritizing safety.
