Introduction

Thank you for purchasing the M4 OVAL HANDGUARD by Brownells. This product is designed for use with rifles featuring carbine length gas systems. To ensure your safety and the safe operation of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the handguard is compatible with your firearm before installation.
- Always handle firearms with care, following the basic rules of firearm safety.
- Keep the handguard and all firearm components out of reach of children and unauthorized users.
- Inspect the handguard regularly for any signs of wear or damage.
- Do not modify the handguard or any of its components.
- Store the handguard in a cool, dry place when not in use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Use the handguard only as intended and according to the installation instructions.
 - Ensure that the firearm is unloaded before beginning installation.
- **Usage Precautions:**
 - Avoid placing excessive heat or pressure on the handguard.
 - Do not use the firearm with the handguard if it appears damaged or compromised.
- **Age Restrictions:**
 - This product should only be used by individuals who are legally permitted to handle firearms.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation:

- Remove the existing handguard from the firearm, if applicable.
- Align the M4 OVAL HANDGUARD with the mounting points on the firearm.
- Securely attach the handguard using the provided hardware, ensuring it is firmly in place.

3. Usage:

- After installation, inspect the handguard to confirm it is secure.
- When using the firearm, maintain proper grip and control to avoid undue stress on the handguard.
- Regularly check the tightness of the handguard during use.

Disposal Instructions

- Dispose of the handguard responsibly at a designated waste facility.
- Do not burn or incinerate the handguard, as this may release harmful substances.
- Follow local regulations for disposal of polymer materials.

Contact Information for Further Support
