# Safety Instruction Guide for STEEL PILOTS STEEL PILOT FOR .45 LC

## Introduction

Thank you for choosing the STEEL PILOTS STEEL PILOT FOR .45 LC. This product is designed to assist in the chamfering and facing of .45 caliber firearms. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure the product is suitable for your specific firearm model before use.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling this product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for damage or wear before each use. Do not use if damaged.
- Report any unsafe products or accidents to local authorities.
- Stay informed about recalls or safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Risk of injury from sharp edges of the pilot.
- Risk of improper use leading to firearm malfunction.
- Risk of eye injury from metal shavings during operation.

### • Instructions for Avoiding Hazards:

- Always handle the pilot with care to avoid cuts or injuries.
- Follow the manufacturer's guidelines for your specific firearm model.
- Ensure the firearm is unloaded before installing or using the pilot.
- Do not attempt to modify the pilot in any way.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the correct pilot for your firearm model (e.g., .45 ACP1 for S&W model 25 & 625, .45 ACP2 for Colt 1917).
- Gather necessary tools and PPE.

### 2. Installation:

- Ensure the firearm is completely unloaded.
- Carefully insert the pilot into the bore of the firearm.
- Confirm that the pilot is securely positioned and properly aligned.

### 3. Usage:

- Operate the chamfering or facing cutters according to the manufacturer's instructions.
- Maintain a firm grip on the tool during operation.
- Periodically check the pilot for wear and replace if necessary.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components if available.

## **Contact Information for Further Support**

For any safety inquiries or further support, please refer to your local distributor or the manufacturer's customer service. Ensure you have the product details ready for assistance.

Thank you for your attention to these safety instructions. Your safety and the proper functioning of your firearm depend on following these guidelines.
