

WOOL BORE MOPS - WOOL BORE MOP 22-270 CALIBER 3 PACK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Mops](#)

Pure, Natural

A classic favorite for gun cleaning; virgin wool mop holds lots of bore cleaner or oil, so both ends of the barrel get thoroughly coated. The natural spring of wool helps the mop conform easily to rifling grooves; the looped and twisted brass shank and coupling won't scratch the bore.

Attributes

- Name: [WOOL BORE MOP 22-270 CALIBER 3 PACK](#)

WOOL BORE MOPS 22270 CALIBER 3 PACK

Consumer Safety Instruction Guide

Introduction

Thank you for choosing the WOOL BORE MOPS 22270 CALIBER 3 PACK. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully to understand how to handle and use the bore mops safely.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is cleaning gun bores.
- Always keep the bore mops out of reach of children and vulnerable individuals.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding the use and cleaning of firearms.
- Report any unsafe product experiences or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses, when cleaning firearms.
- Use in a well-ventilated area to avoid inhaling any chemicals from bore cleaners or oils.
- Do not use excessive force when inserting the mop into the bore to prevent damage to the firearm.
- Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- Avoid using the product with any solvents or cleaners that are not compatible with wool.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a secure position.
- Gather necessary cleaning supplies, including bore cleaner or oil.

2. Using the Wool Bore Mop:

- Attach the wool bore mop to the cleaning rod using the 832 thread (or 540 thread for .17 cal).
- Apply a small amount of bore cleaner or oil to the mop.
- Insert the mop gently into the bore, ensuring it conforms to the rifling grooves.
- Pull the mop through the bore from the chamber to the muzzle, ensuring even coverage.
- Repeat as necessary, using a clean mop for optimal results.

3. After Use:

- Clean the wool bore mop according to the manufacturer's instructions.
- Store the bore mops in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of used wool bore mops in accordance with local regulations for textile waste.
- Do not dispose of the product in regular household waste if it has been contaminated with hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the WOOL BORE MOPS 22270 CALIBER 3 PACK, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your WOOL BORE MOPS. Thank you for your attention to safety and responsible firearm maintenance.
