Traditional Shapes Plus Different Surfaces Let Every Shooter Get Their Favorite Grip Feel

FLAT 1911 MAINSPRING HOUSING Classic and contemporary looking mainspring housings combine form and function, so there is no compromise in grip control even though they look great. Flat shaped housings are available with popular 25 lpi checkering preferred by many shooters, as well the latest Snakeskin, Chainlink, and Chainlink II patterns that provide a secure gripping surface without the “sharpness” of machine cut checkering. Because they won’t abrade your hand or clothing, they make the perfect addition to competition, carry, and tactical guns. Some Chainlink models are also available with an integral lanyard loop for attaching a weapon retention device. Blank models are completely smooth to allow custom checkering or engraving and are available in flat shapes. Also available for the Officer’s model in both blued and stainless steel with 25 lpi checkering. Specifications: Steel, blued or stainless steel (SS) natural finish. The Government Model housing features drop-in installation in all full-size 1911 pistols including full size Para-Ordnance pistols such as the P-14 and P-16. All housings will work great with any finish or type of steel, including aluminum.

Safety Instruction Guide for FLAT FOR MAINSPRING HOUSING FOR 1911 BL/FL FITS GC SNAKESKIN

Introduction

Thank you for choosing the FLAT 1911 MAINSPRING HOUSING. This product is designed to enhance your shooting experience by providing a secure grip while maintaining a stylish appearance. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this manual.

General Safety Guidelines

- Ensure that the mainspring housing is compatible with your specific model of 1911 pistol.
- Always handle firearms safely and responsibly.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the mainspring housing for signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls or safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the mainspring housing if it shows signs of damage or wear.
- Avoid using the product in extreme conditions that may affect its performance.
- Ensure that the mainspring housing is securely installed before use.
- Do not attempt to modify the mainspring housing without proper knowledge and tools.
- Always wear appropriate safety gear when handling firearms.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing mainspring housing from your 1911 pistol according to the manufacturer's instructions.
- Align the FLAT 1911 MAINSPRING HOUSING with the housing slot on your pistol.
- Carefully insert the housing and ensure it is seated properly.
- Follow the manufacturer's guidelines for securing the mainspring housing in place.
- Doublecheck that the housing is firmly installed before proceeding to use the firearm.

2. Usage

- Grip the firearm firmly, ensuring your hand is positioned correctly on the mainspring housing.
- Maintain control of the firearm at all times during use.
- Regularly check the grip surface for any signs of wear that may affect performance.
- Clean the mainspring housing as needed to maintain its appearance and functionality.

Disposal Instructions

- Dispose of the FLAT 1911 MAINSPRING HOUSING in accordance with local regulations for firearm accessories.
- Do not dispose of the product in regular household waste.

- If the product is damaged beyond use, consider recycling materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the FLAT 1911 MAINSPRING HOUSING, please consult your local retailer or the manufacturer's website for further assistance. Always ensure you have the correct information regarding safety, installation, and maintenance.

Thank you for prioritizing safety while enjoying your shooting experience.
