

# 1911 DROP-IN MATCH BARRELS 9MM - ED BROWN 1911 GOVERNMENT DROP-IN MATCH BARREL 9MM 5"

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

CNC machined with slightly oversized dimensions for tighter barrel lockup and a "Match Quality", drop-in fit. Premium stainless steel bar stock is machined, heat treated and cryo stress relieved before final rifling to improve accuracy and barrel life. Precision, broach cut rifling gives outstanding accuracy with all bullet types, including lead. Complete kit includes pre-fit, match-grade barrel, bushing, link and pin for faster installation. May require minor fitting.

# Safety Instruction Guide for 1911 DROPIN MATCH BARRELS 9MM ED BROWN

## Introduction

Thank you for choosing the 1911 DROPIN MATCH BARRELS 9MM by ED BROWN. This guide provides important safety information and instructions for the proper use and installation of your new barrel. Please read this guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always treat firearms with respect and handle them safely.
- Ensure that the firearm is unloaded before performing any work or installation.
- Use protective eyewear when handling or installing the barrel.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use and ownership of firearms and firearm components.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the barrel is compatible with your specific model of the 1911 firearm.
- Do not use the barrel with ammunition that exceeds the manufacturer's specifications.
- Inspect the barrel for any signs of damage before installation.
- Avoid using excessive force during installation to prevent damage to the barrel or firearm.
- If you experience any malfunctions or unusual behavior while using the firearm, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure you have the necessary tools for installation, including a bushing wrench and a punch.
- Verify that your workspace is clean and free of distractions.

### 2. Installation Steps

- Disassemble your 1911 firearm according to the manufacturer's instructions.
- Remove the existing barrel from the slide.
- Clean the barrel seat and ensure it is free of debris.
- Insert the new ED BROWN match barrel into the slide.
- Align the barrel with the link and insert the link pin to secure it in place.
- Install the barrel bushing and ensure it is properly seated.
- Reassemble your firearm according to the manufacturer's instructions.
- Perform a function check to ensure proper operation before use.

### 3. Usage

- Always ensure that the firearm is pointed in a safe direction when loading or unloading.
- Use appropriate ammunition for your barrel to ensure optimal performance.
- Regularly clean and maintain the barrel to ensure longevity and performance.

## **Disposal Instructions**

- Dispose of the barrel and any associated components in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the installation or safety of your 1911 DROPIN MATCH BARRELS 9MM, please consult a qualified gunsmith or contact the manufacturer directly.

Remember to always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
