

# S&W M&P 2.0 9MM LUGER BARRELS - ED BROWN S&W M&P 2.0 9MM LUGER 4.25" NON-THREADED BARREL SPECTRUM

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

A 416 stainless, button-rifled match barrel, with 1-10 twist and recessed crown. Customized with Ed Brown Tread Flutes, available in Black Nitride, or the "Spectrum" multi-colored finish. Ed Brown's match barrel with traditional rifling will digest jacketed and lead bullets alike, with exceptional accuracy and reliability. The Spectrum finish is a decorative coating and wear is to be expected in contact areas.

# Safety Instruction Guide for S&W M&P 2.0 9MM Luger Barrels Ed Brown

## Introduction

Thank you for choosing the S&W M&P 2.0 9MM Luger Barrels Ed Brown. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that the barrel is installed by a qualified gunsmith to avoid any misuse or damage.
- Always handle firearms with care and follow the basic rules of firearm safety.
- Store the barrel in a secure location, away from children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage before use.
- Use only compatible ammunition as specified in the product description.
- Follow all local laws and regulations regarding firearm modifications and usage.

## Specific Safety Precautions for Use

- Do not use the barrel with ammunition that exceeds the manufacturer's specifications.
- Always wear appropriate eye and ear protection when using a firearm.
- Avoid using the barrel in adverse weather conditions, as moisture can affect performance.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you notice any unusual sounds or malfunctions while using the barrel, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from the firearm according to the manufacturer's instructions.
- Carefully install the Ed Brown barrel, ensuring proper alignment and fit.
- Securely tighten all components as per the manufacturer's specifications.
- Conduct a function check to ensure the firearm operates correctly with the new barrel.

### 2. Usage:

- Load the firearm only when you are ready to shoot.
- Always keep the firearm pointed in a safe direction.
- Follow the standard operating procedures for your specific firearm model.
- Clean the barrel regularly to maintain optimal performance.

## Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the barrel is damaged beyond repair, consult local authorities for proper disposal methods.
- Never dispose of firearms or firearm components in regular trash.

## Contact Information for Further Support

For any questions or concerns regarding safety or product performance, please reach out to the manufacturer or an authorized dealer. Ensure that you report any unsafe products or incidents to the relevant authorities as per EU guidelines.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your S&W M&P 2.0 9MM Luger Barrels Ed Brown. Thank you for prioritizing safety.
