

# FLAT FOR MAINSPRING HOUSING FOR 1911 - ED BROWN BL/FL FITS GC - BLANK

[Handgun Parts](#) > [Frame Parts](#) > [Mainspring Parts](#) > [Mainspring Housings](#)

## Traditional Shapes Plus Different Surfaces Let Every Shooter Get Their Favorite Grip Feel

FLAT 1911 MAINSPRING HOUSING Classic and contemporary looking mainspring housings combine form and function, so there is no compromise in grip control even though they look great. Flat shaped housings are available with popular 25 Ipi checkering preferred by many shooters, as well the latest Snakeskin, Chainlink, and Chainlink II patterns that provide a secure gripping surface without the "sharpness" of machine cut checkering. Because they won't abrade your hand or clothing, they make the perfect addition to competition, carry, and tactical guns. Some Chainlink models are also available with an integral lanyard loop for attaching a weapon retention device. Blank models are completely smooth to allow custom checkering or engraving and are available in flat shapes. Also available for the Officer's model in both blued and stainless steel with 25 Ipi checkering. Specifications: Steel, blued or stainless steel (SS) natural finish. The Government Model housing features drop-in installation in all full-size 1911 pistols including full size Para-Ordnance pistols such as the P-14 and P-16. All housings will work great with any finish or type of steel, including aluminum.

# Consumer Safety Instruction Guide for 1911 Mainspring Housing ED Brown BL/FL Fits GC Blank

## Introduction

Thank you for choosing the 1911 Mainspring Housing by ED Brown. This product is designed to enhance the performance and aesthetics of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use and maintain your product safely and effectively.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Store your firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Inspect your mainspring housing regularly for signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.
- Be aware of your surroundings when handling firearms to ensure the safety of yourself and others.

## Specific Safety Precautions for Use

- Ensure that the mainspring housing is compatible with your specific model of 1911 before installation.
- Do not attempt to modify the mainspring housing beyond the manufacturer's specifications.
- When handling the mainspring housing, avoid contact with sharp edges to prevent injury.
- Use proper eye protection when working on or around firearms.
- If you experience any malfunctions while using your firearm, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing mainspring housing from your 1911 by following the manufacturer's instructions.
- Align the new mainspring housing with the frame of the firearm.
- Securely install the mainspring housing according to the manufacturer's specifications.
- Check that the mainspring housing is firmly in place and functions correctly before using the firearm.

### 2. Usage

- Hold the firearm firmly with both hands, ensuring a proper grip on the mainspring housing.
- Maintain control of the firearm at all times to prevent accidental discharge.
- Practice safe shooting habits, including keeping the muzzle pointed in a safe direction and keeping your finger off the trigger until ready to shoot.

## Disposal Instructions

- Dispose of any damaged or worn mainspring housing responsibly.
- Follow local regulations for the disposal of firearm components.
- Consider recycling options for metal components where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 Mainspring Housing, please refer to the manufacturer's contact details included in the product packaging or visit the official ED Brown website for support.

Thank you for prioritizing safety and compliance. Enjoy your new mainspring housing and the enhanced performance it brings to your firearm.
