

# FLAT FOR MAINSPRING HOUSING FOR 1911 - ED BROWN SS/FL FITS GC - BLANK

[Handgun Parts](#) > [Frame Parts](#) > [Mainspring Parts](#) > [Mainspring Housings](#)

## Traditional Shapes Plus Different Surfaces Let Every Shooter Get Their Favorite Grip Feel

FLAT 1911 MAINSPRING HOUSING Classic and contemporary looking mainspring housings combine form and function, so there is no compromise in grip control even though they look great. Flat shaped housings are available with popular 25 lpi checkering preferred by many shooters, as well the latest Snakeskin, Chainlink, and Chainlink II patterns that provide a secure gripping surface without the “sharpness” of machine cut checkering. Because they won’t abrade your hand or clothing, they make the perfect addition to competition, carry, and tactical guns. Some Chainlink models are also available with an integral lanyard loop for attaching a weapon retention device. Blank models are completely smooth to allow custom checkering or engraving and are available in flat shapes. Also available for the Officer’s model in both blued and stainless steel with 25 lpi checkering. Specifications: Steel, blued or stainless steel (SS) natural finish. The Government Model housing features drop-in installation in all full-size 1911 pistols including full size Para-Ordnance pistols such as the P-14 and P-16. All housings will work great with any finish or type of steel, including aluminum.

## Attributes

# Safety Instruction Guide for 1911 Mainspring Housing ED Brown SS/FL Fits GC Blank

## Introduction

Thank you for purchasing the 1911 Mainspring Housing ED Brown SS/FL Fits GC Blank. This product is designed to enhance the performance and aesthetics of your firearm. Please read this safety instruction guide carefully to ensure safe handling, installation, and use of the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the mainspring housing by following all instructions provided.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If a recall is issued, follow the instructions provided for a remedy.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** Be aware that this product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, consult the product packaging or official website for the appropriate EU-based contact.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety.

## Specific Safety Precautions for Use

- **Installation Precautions:**
  - Ensure that the firearm is unloaded before beginning installation.
  - Use appropriate tools to avoid damage to the mainspring housing or firearm.
- **Handling Precautions:**
  - Always treat your firearm as if it is loaded.
  - Avoid placing your fingers on the trigger until you are ready to shoot.
- **Storage Precautions:**
  - Store the firearm in a secure location, away from unauthorized access.
  - Ensure that the mainspring housing is in good condition before each use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is completely unloaded.
- Gather the necessary tools for installation, including a punch and hammer.

### 2. Removing the Old Mainspring Housing:

- Locate the mainspring housing retention pin.
- Use the punch to carefully drive out the pin.
- Remove the old mainspring housing from the firearm.

### 3. Installing the New Mainspring Housing:

- Align the new mainspring housing with the housing slot on the firearm.
- Insert the mainspring housing into the slot until it is fully seated.
- Reinsert the retention pin to secure the new mainspring housing in place.

### 4. Final Checks:

- Ensure that the mainspring housing is securely installed and that there are no loose parts.
- Conduct a function check on the firearm to ensure proper operation.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the mainspring housing is damaged beyond repair, contact a qualified gunsmith for proper disposal.
- Recycle metal components where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For additional support or safety inquiries, please refer to the product packaging or the manufacturer's official website for the relevant contact information.

By following these safety instructions, you can ensure safe and effective use of your 1911 Mainspring Housing ED Brown SS/FL Fits GC Blank. Always prioritize safety when handling firearms and related components. Thank you for your attention to these important guidelines.
