Safety Instruction Guide for the 308 AR GEN 3 Ambidextrous Charging Handle

Introduction

Thank you for choosing the 308 AR GEN 3 Ambidextrous Charging Handle from Badger Ordnance. This product is designed to enhance your shooting experience by providing a reliable and userfriendly mechanism for charging your rifle. Please read this safety instruction guide carefully to ensure safe and proper use of the charging handle.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Wear appropriate eye and ear protection when handling firearms.
- Store your firearm and accessories in a secure location, away from children and unauthorized users.
- Be aware of your surroundings and ensure that your shooting area is clear of people and obstacles.
- Do not use the charging handle with incompatible firearms such as DPMS Gen II, Colt 901, or SIG 716 Rifles.

Specific Safety Precautions for Use

- The charging handle is designed for use with AR10, Sr25, DPMS Gen.1, and similar platforms.
- Ensure that the charging handle is securely installed before use.
- Do not attempt to modify or alter the charging handle in any way.
- Inspect the charging handle for damage or wear before each use.
- If you notice any issues with the charging handle, discontinue use immediately and consult a qualified gunsmith.
- Be cautious when using the charging handle in adverse weather conditions, as moisture can affect its performance.

Instructions for Installation and Usage

Installation

1. Ensure that your firearm is unloaded and the safety is engaged.
2. Remove the existing charging handle from your rifle by following the manufacturer's instructions.
3. Align the new charging handle with the receiver and slide it into place.
4. Ensure that the charging handle is securely seated and functions properly.
5. Perform a function check to confirm that the charging handle operates smoothly.

Usage

- To charge the rifle, use either the finger and thumb grip or the palm of your hand.
- Practice using the charging handle on both the strong and support side to become proficient.
- Always maintain a firm grip on the charging handle to prevent slippage.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations for plastic and metal waste.
- Do not dispose of the charging handle in regular household waste if it is damaged or defective.
- Check with local authorities for proper disposal methods for firearm accessories.
