## Safety Instructions

### Introduction

Thank you for choosing the MAXIMIZED SCOPE RINGS BADGER ORDNANCE 30MM ULTRA HIGH ALUMINUM SCOPE RINGS. These scope rings are designed to securely hold large, heavy scopes on hardrecoiling guns. This guide provides essential safety instructions to ensure safe use and installation, complying with the EU General Product Safety Regulation (GPSR).

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose: to mount scopes on firearms.
- Always verify that the scope rings are compatible with your firearm and scope specifications.
- Regularly inspect the scope rings for any signs of wear, damage, or corrosion.
- Keep the scope rings out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Before installation, read all instructions carefully to avoid improper use.
- Ensure that the firearm is unloaded and pointed in a safe direction during installation.
- Do not exceed the recommended weight limit for the scope mounted on the rings.
- Always use the provided tools to secure the rings; do not use excessive force which may damage the product.
- Be cautious of sharp edges during installation and handling.
- If you notice any unusual movement of the scope after installation, immediately stop using the firearm and check the installation.

### Instructions for Installation and Usage

#### 1. Preparation

- Gather all necessary tools: a torque wrench and the provided mounting screws.
- Ensure the firearm is unloaded and pointed in a safe direction.

#### 2. Installation Steps

- Locate the mounting base on your firearm.
- Place the scope rings on the base, ensuring they are aligned properly.
- Insert the provided screws through the rings into the mounting base.
- Use a torque wrench to tighten the screws to the manufacturer's recommended torque settings (consult the product specifications for the correct values).
- Once the rings are secured, carefully place your scope into the rings.
- Adjust the scope to your preferred position and ensure it is level.
- Tighten the ring screws to secure the scope in place, again using the torque wrench as needed.

#### 3. PostInstallation Check

- After installation, doublecheck that all screws are tightened and that there is no movement in the

scope.

- Perform a visual inspection of the setup to ensure everything appears secure.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum and metal waste.
- Do not dispose of the product in household waste. Check for recycling options in your area.

## Contact Information for Further Support

For any inquiries regarding safety or product use, please contact the manufacturer or your local dealer. Ensure you have the product details ready for efficient assistance.

By following these safety instructions, you can ensure a safe and effective experience with the MAXIMIZED SCOPE RINGS BADGER ORDNANCE 30MM ULTRA HIGH ALUMINUM SCOPE RINGS. Thank you for prioritizing safety and compliance.
