## Reliable Feeding With A Host Of Ammo Types; Models For Every Shooting Application

One-piece, machined aluminum block converts AR-15 lower receiver to 9mm. Compatible with all, Colt-type, 9mm upper receivers, the feed ramp is cut for reliable feeding with all types of ammo, including hollow point and frangible ball. Roller retention device holds block securely in receiver, prevents accidental release. Hardened steel ejector, feed ramp and bolt hold open give long service life; last-round-hold-open feature on bottom-loading model works when used with Colt magazines. Also works with modified UZI magazines but last-round-hold-open will not function. No receiver modification required. Top-Loading Block installs from the top of the lower receiver and Bottom-Loading Block installs from the bottom of the lower receiver.

# AR15/M16 9MM DropIn Conversion Blocks Safety Instruction Guide

## Introduction

Thank you for choosing the AR15/M16 9MM DropIn Conversion Blocks. This product is designed to convert your AR15 lower receiver into a 9mm firearm, allowing for versatility and enhanced shooting experiences. This guide provides important safety instructions and usage information to ensure safe and effective operation.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm and conversion block securely, away from unauthorized users, especially children.
- Use only the specified Colttype 9mm upper receivers with this conversion block.
- Always wear appropriate eye and ear protection when shooting.
- Regularly inspect your firearm and conversion block for any signs of wear or damage before use.
- Report any unsafe products or accidents to local authorities immediately.
- Stay informed about product recalls through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the conversion block is securely installed before use.
- Never attempt to modify the conversion block or the lower receiver.
- Use only the recommended ammunition types: standard, hollow point, and frangible ball.
- Do not use modified UZI magazines if you require the lastroundholdopen feature.
- Do not exceed the magazine capacity specified for your firearm.
- If you experience a malfunction, cease firing immediately and follow proper clearing procedures.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Before installation, ensure that your firearm is unloaded and pointed in a safe direction.
2. **Remove the Lower Receiver:** Disassemble your AR15 lower receiver according to the manufacturer's instructions.
3. **Insert the Conversion Block:**
  - For BottomLoading Block: Align the block with the lower receiver and insert it from the bottom. Ensure that the roller retention device engages properly to secure the block.
  - For TopLoading Block: Align the block with the lower receiver and insert it from the top. Confirm that the block is securely held in place.
4. **Reassemble the Lower Receiver:** Follow the manufacturer's instructions to reassemble your lower receiver.
5. **Test the Installation:** Check that the conversion block is securely fitted and that the bolt hold open and ejector function correctly.

### Usage

- Load the firearm only when you are ready to shoot.
- Always check the ammunition and magazine compatibility before loading.
- Follow standard shooting practices and guidelines while using the firearm.
- After shooting, ensure that the firearm is unloaded before cleaning or storing.

## **Disposal Instructions**

- Dispose of the conversion block in accordance with local regulations for metal recycling or hazardous materials.
- Do not dispose of any part of the conversion block in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15/M16 9MM DropIn Conversion Blocks, please contact the manufacturer or your local dealer for assistance. Always ensure that you have the latest safety information and guidance.
