S&W REVOLVER FULL MOONCLIPS T K CUSTOM MODEL 625/252X6 Safety Instructions

Introduction

Thank you for choosing the S&W Revolver Full Moonclips T K Custom Model 625/252X6. These moon clips are designed to enhance the functionality of your Smith & Wesson revolver by keeping cartridges together and properly aligned for efficient reloading. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the moon clips are compatible with your specific revolver model (625 and 252).
- Always handle firearms and ammunition with care and follow all applicable safety regulations.
- Inspect moon clips for damage or wear before each use. Do not use damaged clips.
- Keep moon clips and ammunition out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only with .45 ACP cartridges and ensure they are correctly seated in the clips.
- Avoid using moon clips with brass that is not compatible with TK Moonclips.
- Do not force cartridges into the moon clips; they should fit securely without excessive pressure.
- Avoid exposing moon clips to extreme temperatures or corrosive environments to maintain their integrity.
- Always store moon clips in a safe and dry place when not in use.

Instructions for Installation and Usage

1. Installation of Moon Clips:

- Ensure the revolver is unloaded and pointed in a safe direction.
- Align the cartridges with the moon clip openings.
- Gently press the cartridges into the moon clip until they are fully seated.
- Check that all cartridges are securely held by the moon clip.

2. Using the Revolver with Moon Clips:

- Load the moon clip into the revolver's cylinder.
- Ensure the cylinder is closed and properly latched before firing.
- After firing, use the ejector rod to remove the moon clip with spent cartridges.
- Inspect the moon clip after use for any signs of wear or damage.

3. Regular Maintenance:

- Clean moon clips with a soft cloth after use to remove any debris or residue.
- Store moon clips in a protective case to prevent bending or damage.

Disposal Instructions

- Dispose of damaged or worn moon clips in accordance with local regulations.
- Do not throw moon clips in regular trash if they are damaged; check for recycling options or hazardous

waste disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the S&W Revolver Full Moonclips T K Custom Model 625/252X6, please refer to your local dealer or distributor. They can provide guidance and support related to the product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your S&W Revolver Full Moonclips. Always prioritize safety and responsible handling of firearms and ammunition. Thank you for your attention to these important guidelines.
