

AR-15 TACTICAL REAR SIGHT - YANKEE HILL MACHINE CO., INC.

AR-15 FLIP-UP TACTICAL REAR SIGHT BLACK

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

Rugged Steel Construction; Deploys Fast For Instant Emergency Use

Heavy-duty, steel construction makes these emergency rear flip sights the tactical shooter's choice for LE and military tasks requiring a compact, backup, sight system of superior strength and dependability. Deploys easily with the flick of your thumb; disengages down, out of your sight path when not in use by depressing the spring-loaded pushbutton. Extra thick, protective ears guard against blows that could potentially bend or break the sight post or aperture. Solid clamp with large crossbolt provides rock solid attachment to Weaver or Picatinny rail systems. Knurled and slotted, quick-release thumbscrew makes sight easy to install/remove. Rear Flip Sight's low-profile design attaches to A4 flattop receivers and regulates correctly with standard, M16/M4 front sights, as well as all Yankee Hill front sights. Rugged, steel base features an aluminum stem to keep weight to a minimum. Deploys instantly with thumb pressure. Large, knurled, screw head provides 1/2 M.O.A. windage adjustment. Includes flip-style aperture with .065" and .200" diameter peepholes for short- and long-range accuracy.

Attributes

- Name: [YANKEE HILL MACHINE CO., INC. AR-15 FLIP-UP TACTICAL REAR SIGHT BLACK](#)

AR15 Tactical Rear Sight Safety Instruction Guide

Introduction

Thank you for choosing the AR15 Tactical Rear Sight by Yankee Hill Machine Co., Inc. This guide provides essential safety instructions to ensure the safe use and installation of your new sight. Please read this manual carefully and adhere to all safety guidelines to maximize performance and minimize risks.

General Safety Guidelines

- Ensure that the AR15 Tactical Rear Sight is used only with compatible firearms.
- Always treat firearms as if they are loaded, even if they are not.
- Keep the sight and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of wear or damage. Do not use if damaged.
- Avoid using the sight in extreme weather conditions that may affect its performance.
- Familiarize yourself with local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Always use the sight in a safe environment, free from obstructions and distractions.
- Ensure that the sight is securely attached to the firearm before use.
- Do not modify the sight in any way. Modifications may compromise safety and performance.
- When deploying the sight, ensure that your thumb is clear of the mechanism to avoid injury.
- Be aware of your surroundings and ensure that you have a clear line of sight when aiming.
- If you experience any malfunction or difficulty with the sight, cease use immediately and consult a professional.

Instructions for Installation and Usage

Installation

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Locate the Weaver or Picatinny rail on your AR15.
3. Align the AR15 Tactical Rear Sight with the rail and slide it into position.
4. Secure the sight using the large crossbolt. Ensure it is tightened adequately.
5. Use the knurled thumbscrew to adjust the sight to your preferred position.

Usage

1. To deploy the sight, press the springloaded pushbutton with your thumb.
2. The sight will flip up into position for immediate use.
3. For adjustments, use the large knurled screw head to make windage adjustments (1/2 M.O.A.).
4. To disengage the sight, press the pushbutton again and lower it out of your sight path.
5. Always check the alignment of the sight with your front sight before shooting.

Disposal Instructions

- Dispose of the sight in accordance with local regulations regarding electronic waste and firearm accessories.
- Do not dispose of the sight in regular household waste.
- Contact your local waste management authority for information on proper disposal methods.

Contact Information for Further Support

For safety inquiries and additional support, please refer to the product packaging or the manufacturer's website.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the AR15 Tactical Rear Sight!
