

AR-15/M16 MINI RISER ASSEMBLY - YANKEE HILL MACHINE CO., INC. MINI RISER ASSEMBLY

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Adds Extra 1/2" Elevation For Small Accessories

Compact, Picatinny mini-riser is perfect for raising lasers, lights, sights, and other essential accessories that need a little extra lift or clearance. Constructed of aircraft-grade aluminum and hardcoat anodized for durability and long-lasting resistance to surface wear. Milled out center slot reduces weight. Fits Picatinny rail systems; two cap screws clamp riser securely to rail.

Attributes

Safety Instruction Guide for AR15/M16 Mini Riser Assembly

Introduction

Thank you for choosing the AR15/M16 Mini Riser Assembly by Yankee Hill Machine Co., Inc. This guide provides essential safety information and instructions to ensure the safe use and installation of your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Regularly inspect the riser assembly for any signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- Always follow local laws and regulations regarding firearm accessories.
- Report any unsafe product experiences or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Check the compatibility of the riser with your firearm's Picatinny rail system before installation.
- Do not exceed the weight limit of the riser; ensure all accessories are securely attached.
- Avoid using the riser in extreme conditions that could affect its performance, such as high humidity or corrosive environments.
- Ensure that the riser is securely clamped to the rail before use to prevent accidental detachment during operation.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Clean the Picatinny rail area where the riser will be mounted to ensure a secure fit.
- Align the riser assembly on the desired position of the Picatinny rail.
- Use the provided cap screws to secure the riser to the rail. Tighten the screws firmly, but do not overtighten to avoid damaging the riser or rail.
- Doublecheck that the riser is securely attached and does not move.

2. Usage Instructions:

- Once installed, you may mount lasers, lights, or sights onto the riser.
- Always ensure that mounted accessories are properly secured and functional before use.
- Regularly check the integrity of the riser and mounted accessories during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling the aluminum material where possible.

Contact Information for Further Support

For any safety inquiries or additional support regarding the AR15/M16 Mini Riser Assembly, please refer to the

manufacturer's official website or contact their customer support.

Thank you for your attention to these safety guidelines. Your safety is our priority.
