

AR-15 MBUS GEN 2 SIGHT SET - MAGPUL MBUS SIGHT SET FLIP-UP POLYMER FOR AR-15 FDE

[Rifle Parts](#) > [Sights](#) > [Sight Sets](#)

Reliable, Low-Profile, Quick-Deploy Backup Sights

Low-profile, flattop-mounted, polymer sights deploy instantly at the touch of a finger to provide backup sighting if a primary optic fails. Streamlined contours mean there's nothing to snag on brush, sling, or other gear when folded. Spring-loaded ambidextrous release mechanism lets you hit the grooved tab on either side of the sight to deploy, and lock it in place. Hitting the same tabs retract the sight when you're done. Uses less than 1" of MIL-STD 1913 Picatinny receiver rail space and locks securely in place with the included steel crossbolt. Provides the same height over bore as standard A2 iron sights. Windage-adjustable rear sight has two apertures: a large, .185" peep and a .070" peep. Designed for AR-type rifles and carbines, fits any weapon with Picatinny rails. Front sight must be mounted on a railed forend on the same plane as the receiver rail to witness correctly with rear sight. Not compatible with railed gas blocks or the MOE handguard.

Attributes

- Name: [MAGPUL MBUS SIGHT SET FLIP-UP POLYMER FOR AR-15 FDE](#)

AR15 MBUS GEN 2 Sight Set Safety Instruction Guide

Introduction

Thank you for choosing the AR15 MBUS GEN 2 Sight Set by Magpul. This guide provides important safety information and instructions to ensure the safe and effective use of your new sight set. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that all safety procedures are followed when handling firearms and accessories.
- Always treat every firearm as if it is loaded.
- Keep the sight set and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect your sight set for any signs of damage or wear. If damage is found, discontinue use immediately.
- Only use this sight set with firearms that are compatible with Picatinny rails, as specified in the product description.
- Ensure that the sight set is installed correctly according to the instructions provided in this guide.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm equipped with this sight set.

Specific Safety Precautions for Use

- Do not attempt to modify or alter the sight set in any way.
- Ensure that the sight is fully deployed and locked in place before using the firearm.
- Always check that the sight is functioning correctly before each use.
- Avoid using the sight set in extreme weather conditions that could affect its performance, such as heavy rain or extreme heat.
- If you experience any issues with the sight set, cease use immediately and consult a qualified gunsmith or contact customer support.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Mounting the Front Sight:**
 - Locate a suitable railed forend on your AR15.
 - Align the front sight with the rail and slide it into position.
 - Ensure the sight is on the same plane as the receiver rail for accurate alignment.
 - Secure the sight using the included steel crossbolt.
3. **Mounting the Rear Sight:**
 - Position the rear sight on the Picatinny rail behind the front sight.
 - Slide into place and secure it with the crossbolt.
4. **Deployment:**
 - To deploy the sights, press the ambidextrous release mechanism located on either side of the sight.
 - Ensure the sights are locked in the upright position before use.
5. **Retracting the Sights:**
 - To retract the sights, press the same tabs used for deployment.

Usage

- Always ensure your firearm is pointed in a safe direction when using the sights.
- Use the large aperture for general shooting and the small aperture for precision shooting.
- Make windage adjustments as needed using the provided adjustment mechanism.

Disposal Instructions

- Dispose of the sight set responsibly.
- Follow local regulations for the disposal of polymer materials.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For further assistance, please refer to the manufacturer's website or customer service resources for support and additional information regarding your AR15 MBUS GEN 2 Sight Set.

Conclusion

Your safety and satisfaction are our top priorities. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your new sight set. Always prioritize safety and responsible firearm handling. Thank you for your purchase.
