

9" HAVOC 37MM FLARE LAUNCHER - SPIKES TACTICAL KAOS STOCK SYSTEM FOR 9" HAVOC 37MM FLARE LAUNCHER BLACK

[Home](#)

SPIKE'S TACTICAL 9" HAVOC 37MM FLARE LAUNCHER Breech-loading 37mm flare launcher clamps securely to the bottom rail of any 7" or longer Picatinny handguard. Lets you use 5 $\frac{3}{4}$ " U.S. Coast Guard approved flare, smoke, or gas rounds for field operations or training. A single push of the button quickly opens the launcher to remove a spent round and insert a fresh cartridge. STZ pushbutton cylindrical breech lock is far stronger than lever locks typically used on this type of launcher. 9" Launcher has pivoting tube that swings to the side for loading. Kaos Stock Systems allow you to take your existing rail mounted Havoc Launcher and turn it into a stand-alone weapon system. It is compatible with most aftermarket AR-15 stocks, latch plates & pistol grips. Kaos Stock System features a ST M4 Stock as well as Mil-Spec A2 pistol grip, 1913 Picatinny Top Rail, Buffer Tube, Latch Plate, and Castle Nut. SPECS Construction: 6061 T6 aluminum Finish: Hardcoat anodized, and 1018 cold-rolled steel, oxide coated, black. Length: 9" Launcher: 9-4/16" (23cm) OAL, 5" (14cm) tube length. Weight: 2 lb., 5 oz. (1kg) Side-Swivel Breech Loading Design Push-button Breech Lock One-piece Tube & Grip Supports 5 $\frac{3}{4}$ " USCG Munitions Compatible with 7" and longer rail systems

Safety Instruction Guide for 37MM Flare Launchers & Kaos Stock Systems

Introduction

Thank you for choosing the 37MM Flare Launchers & Kaos Stock Systems from SPIKES TACTICAL. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before use to understand the safety precautions and operational procedures.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as outlined in this manual.
- Always handle the flare launcher with care and respect, treating it as a firearm.
- Keep the flare launcher out of reach of children and unauthorized users.
- Regularly inspect the flare launcher for any signs of damage or wear before each use.
- Always wear appropriate eye and ear protection when using the flare launcher.
- Do not point the launcher at yourself or others.
- Follow all local laws and regulations regarding the use of flare launchers.

Specific Safety Precautions for Use

- Only use approved 5 $\frac{3}{4}$ " U.S. Coast Guard approved flare, smoke, or gas rounds.
- Do not attempt to modify or alter the flare launcher in any way.
- Ensure that the area around you is clear of flammable materials before firing.
- Be aware of your surroundings and ensure that the launch area is safe and secure.
- Do not use the flare launcher under adverse weather conditions, such as high winds or heavy rain.
- Never attempt to reload the launcher while it is still hot from previous use.

Instructions for Installation and Usage

Installation

1. Mounting the Launcher:

- Ensure that the handguard is clean and free of debris.
- Align the 37mm flare launcher with the bottom rail of your 7" or longer Picatinny handguard.
- Use the provided mounting hardware to securely attach the launcher.
- Doublecheck that the launcher is firmly attached before proceeding.

2. Attaching the Kaos Stock System:

- If using the Kaos Stock System, follow the manufacturer's instructions for attaching the stock to the flare launcher.
- Ensure compatibility with your existing railmounted Havoc Launcher.

Usage

1. Loading the Launcher:

- For the 9" launcher, push the button to open the breech and insert a fresh cartridge.
- For the 12" launcher, slide the tube forward to access the breech.
- Ensure the launcher is pointed in a safe direction during loading.

2. **Firing the Launcher:**

- Ensure the area is clear and safe before firing.
- Firmly grip the launcher and aim it in a safe direction.
- Press the trigger to fire the flare or gas round.
- After firing, allow the launcher to cool before attempting to reload.

3. **PostUse Care:**

- After use, clean the launcher according to the manufacturer's instructions.
- Store the launcher in a secure location, away from children and unauthorized users.

Disposal Instructions

- Dispose of spent cartridges and any damaged components in accordance with local regulations.
- Do not dispose of the flare launcher in regular household waste.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use and safety of the 37MM Flare Launchers & Kaos Stock Systems, please refer to the manufacturer's contact details included in the product documentation.

This safety instruction guide is designed to promote the safe and responsible use of your flare launcher system. By following these guidelines, you can help ensure your safety and the safety of those around you. Thank you for your attention to these important safety measures.
