

# 1911 RETRO HAMMER & IGNITION SET - HARRISON DESIGN & CONSULTING RETRO HAMMER

[Handgun Parts](#) > [Trigger Group Parts](#) > [Performance Enhancing Kits](#)

Low-profile, "bite free" hammer spur prevents hammer pinch even when used with the standard 1911A1 grip safety. "Retro" design has the look of a bobbed 1911A1 hammer. Available alone or in a kit with top-quality machined sear and disconnect. All components precision machined from tool steel, heat treated, and polished for optimum fit and durability. Primary and breakaway angles on the sear are prepped and ready to go, but can be gunsmith modified to change trigger pull if desired.

## Attributes

- Name: [HARRISON DESIGN & CONSULTING RETRO HAMMER](#)
- Manufacturer: [HARRISON DESIGN & CONSULTING](#)
- Product no.: 100008460
- Mfr. No.: HD-131
- Delivery weight: 0.018kg
- Shipping height: 1mm
- Shipping width: 83mm
- Shipping length: 152mm

## Item details

Made in USA

US export classification: 0A501.c

# Safety Instruction Guide for 1911 RETRO HAMMER & IGNITION SET

## Introduction

Thank you for choosing the 1911 RETRO HAMMER & IGNITION SET from Harrison Design & Consulting. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure that all components are compatible with your firearm before installation.
- Always handle firearms with care and follow all standard safety protocols.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the product for wear or damage before use.
- If you experience any issues or have concerns about the product, cease use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Hammer Pinch Hazard:** The lowprofile hammer spur is designed to prevent hammer pinch when used with the standard 1911A1 grip safety. Always ensure that your grip is secure but not overly tight to avoid any pinch injuries.
- **Modification Warnings:** If you choose to modify the sear to change the trigger pull, ensure that this is done by a qualified gunsmith. Improper modifications can lead to unsafe operation.
- **Heat Treatment:** The components are heattreated to Rc 5356 for durability. However, excessive heat exposure during installation may compromise their integrity.
- **Installation Environment:** Perform installation in a clean, dry environment to avoid contamination of components.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

### 2. Installation:

- Remove the existing hammer and ignition components from your firearm according to the manufacturer's instructions.
- Install the new hammer by aligning it with the hammer pin and securing it in place.
- Install the sear and disconnect, ensuring they are properly seated and aligned.
- Check that all components move freely and are not obstructed.

### 3. Testing:

- After installation, perform a function check to ensure that the hammer and ignition components operate correctly.
- Test the trigger pull and ensure that it meets your expectations. If adjustments are needed, consult a qualified gunsmith.

### 4. Usage:

- Always adhere to standard firearm safety practices when using your firearm equipped with this product.
- Regularly check the components for wear and ensure they are functioning correctly.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the 1911 RETRO HAMMER & IGNITION SET, please refer to the manufacturer's contact details provided on the packaging or product documentation.

By following these guidelines, you can help ensure a safe and enjoyable experience with your 1911 RETRO HAMMER & IGNITION SET. Thank you for your attention to safety.
