Safety Instruction Guide for .720 Standard Thread Protector 1/228

Introduction

Thank you for choosing the .720 Standard Thread Protector 1/228 from Yankee Hill Machine Co., Inc. This product is designed to protect your rifle's muzzle threads and crown from damage. Please read this safety instruction guide carefully to ensure safe usage and maintenance of the thread protector.

General Safety Guidelines

- Always ensure that the thread protector is securely attached before handling your rifle.
- Regularly inspect the thread protector for any signs of wear or damage.
- Keep the thread protector out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about any product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the thread protector is compatible with your rifle's muzzle threads (1/228).
- Do not attempt to modify or alter the thread protector in any way.
- Avoid using excessive force when installing or removing the thread protector to prevent damage.
- Store the thread protector in a dry and secure location when not in use.
- If you notice any unusual sounds or difficulties while using the thread protector, stop using it immediately.

Instructions for Installation and Usage

1. Installation:

- Ensure your rifle is unloaded and safe before installation.
- Clean the muzzle threads to remove any debris or dirt.
- Align the thread protector with the muzzle threads.
- Gently screw the thread protector onto the muzzle until it is snug. Do not overtighten.
- Check that the thread protector is securely attached by gently tugging on it.

2. Usage:

- Always use the thread protector when the rifle is not in use to prevent damage.
- If you need to remove the thread protector, grip the knurled exterior for a firm grasp.
- Unscrew the thread protector gently in a counterclockwise direction.
- Store the thread protector in a safe place after removal.

Disposal Instructions

- Dispose of the thread protector in accordance with local regulations.
- If the thread protector is damaged or no longer usable, do not attempt to repair it; dispose of it responsibly.

Contact Information for Further Support

For any inquiries or concerns regarding the thread protector, please contact your local retailer or the

manufacturer directly. Ensure you have the product details on hand for a quicker response.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure the safe and effective use of your .720 Standard Thread Protector 1/228.
