

AR-15/M16 5.56 HAMMER FORGED BARRELS - DANIEL DEFENSE 16" LIGHTWEIGHT CARBINE 5.56 BARREL, 1-7 TWIST

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Cold Hammer Forged For Superb Accuracy; Chrome-Lined For Long Life

These barrels are cold hammer-forged from high-grade chromium-molybdenum-vanadium alloy steel for exceptional strength and accuracy potential—like a high-end match rifle barrel. Magnetic particle inspection (MPI) ensures there are no internal flaws in the metal. Durable manganese phosphate finish give excellent resistance to surface wear. Barrel extension has M4-type feed ramps. Choose caliber, profile and length. 5.56x45 barrels come in 10.5", 14.5" and 16" lengths, with the shorter barrels featuring carbine length gas system. Barrels are available in lightweight or government contours, and M4 for the 14.5" length. OD at gas block is .750".

Safety Instruction Guide for AR15/M16 5.56 Hammer Forged Barrels

Introduction

Thank you for choosing the AR15/M16 5.56 Hammer Forged Barrels by Daniel Defense. This guide provides important safety instructions and guidelines to ensure the safe use and handling of your product. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided in this guide.
- Be aware of the potential risks associated with handling and using firearm components.
- Always store the product in a safe location, out of reach of children and unauthorized persons.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always treat the firearm as if it is loaded, even if you believe it is not.
- Use proper eye and ear protection when handling or shooting the firearm.
- Ensure that the barrel is compatible with your firearm before installation.
- Do not exceed the recommended caliber specifications.
- Avoid using the barrel with ammunition that is not compliant with the specified cartridge (5.56 mm NATO).
- Never attempt to modify the barrel or any of its components.
- Follow all local laws and regulations regarding firearm ownership and usage.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and the safety is engaged before beginning installation.
- Remove the existing barrel from the firearm according to the manufacturer's instructions.
- Carefully install the AR15/M16 5.56 Hammer Forged Barrel, ensuring it is securely fastened.
- Check that the M4type feed ramps are properly aligned and functioning.
- Confirm that the muzzle threads (1/228) are compatible with your muzzle device.

2. Usage:

- Before firing, perform a thorough inspection of the firearm, including the newly installed barrel.
- Use only the specified ammunition (5.56 mm NATO) for optimal performance and safety.
- Maintain a safe distance from others when firing the firearm.
- Be aware of your surroundings and ensure a safe shooting environment.

Disposal Instructions

- Dispose of any damaged or worn barrels in accordance with local regulations.
- Do not discard the product in regular household waste.
- Contact local authorities or waste disposal services for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety or usage of the AR15/M16 5.56 Hammer Forged Barrels, please contact your local dealer or the manufacturer directly for assistance.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your AR15/M16 5.56 Hammer Forged Barrels. Thank you for your attention to safety.
