

XD ULTIMATE MATCH TARGET TRIGGER KITS - POWDER RIVER PRECISION INC XD 45 ULTIMATE MATCH TARGET EASY FIT TRIGGER KIT

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

The kit includes Powder River Precision's famous striker safety lever, to remove the long trigger pre-travel on the XD trigger. Also included is a reduced power trigger and sear springs, to lower the pull weight. The included new sear has a patented angle to help lighten the pull and give a smooth crisp break. The trigger is made of tough, light weight polymer that helps speed up the reset. It also has an integral over travel stop on the back of the trigger. Using this method of over travel stop removes added stress on the trigger bar. When installed correctly, the kit will give you a short crisp trigger pull (about 3.5-4lbs) with a fast reset and cut the total trigger pull length by about 1/2. The kit requires minor fitting and includes gunsmith installation instructions. Fits all XD models (EXCEPT the XD 45 thumb safety model OR new model XDs). This trigger is a Springfield Armory OEM part available on production XD and XDM pistols.

Attributes

- Name: [POWDER RIVER PRECISION INC XD 45 ULTIMATE MATCH TARGET EASY FIT TRIGGER KIT](#)
- Manufacturer: [POWDER RIVER PRECISION INC](#)

XD Ultimate Match Target Trigger Kit Safety Instructions

Introduction

Thank you for choosing the XD Ultimate Match Target Trigger Kit from Powder River Precision Inc. This kit is designed to enhance the performance of your XD firearm while ensuring safety during its use. Please read this safety instruction guide carefully to understand how to use, install, and maintain your trigger kit properly.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Store your firearm and accessories securely, out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for any signs of wear or damage.
- Use only the recommended parts and accessories for your firearm.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that your firearm is unloaded before starting the installation process.
- Do not attempt to install the trigger kit if you are not confident in your ability to do so; seek professional assistance if needed.
- Be aware of the potential hazards associated with modifying your firearm, including accidental discharge.
- Always wear safety glasses while working on your firearm.
- Avoid distractions during installation and usage to maintain focus.
- Ensure that the area where you are working is welllit and free from clutter.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather all necessary tools as indicated in the installation instructions.

2. Installation Steps:

- Carefully remove the existing trigger assembly from your XD firearm, following the manufacturer's guidelines.
- Install the new trigger kit components:
 - Replace the striker safety lever with the one included in the kit.
 - Install the reduced power trigger and sear springs.
 - Replace the old sear with the new sear provided in the kit.
- Ensure all components are seated correctly and securely.
- Adjust the over travel stop on the back of the trigger as needed.

3. Testing:

- Once installed, conduct a function check to ensure the trigger operates correctly.
- Test the trigger pull to confirm it meets the specifications (approximately 3.54 lbs).
- Ensure the reset speed is satisfactory and that the trigger does not exhibit any unintended

movement.

4. Usage:

- Always follow standard firearm safety practices when using your firearm.
- Regularly check the trigger assembly for any signs of wear or malfunction.
- If any issues arise, cease use immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of any old parts or components in accordance with local regulations.
- Ensure that all parts are disposed of safely to prevent unauthorized use or access.

Contact Information for Further Support

For any inquiries or concerns regarding the XD Ultimate Match Target Trigger Kit, please contact your local dealer or the manufacturer directly. Ensure you have your product details ready for a prompt response.

By following these safety instructions, you can ensure a safe and enjoyable experience with your XD Ultimate Match Target Trigger Kit. Thank you for prioritizing safety in your firearm usage.
