# Safety Instruction Guide for AR15/M16 5.56 Bolt

## Introduction

Thank you for choosing the AR15/M16 5.56 Bolt by Daniel Defense. This guide provides important safety information and instructions to ensure the safe use and maintenance of your product. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that all users of this product are familiar with firearm safety practices.
- Always treat firearms as if they are loaded.
- Store the bolt and any associated firearm components in a secure location, out of reach of children and unauthorized individuals.
- Regularly inspect the bolt for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use and storage of firearms and their components.
- In case of any doubts or uncertainties regarding the use of this product, consult a qualified firearms expert.

## Specific Safety Precautions for Use

- Use only with firearms specifically chambered for 5.56mm/.223 cartridges.
- Ensure that the bolt is properly installed before using the firearm.
- Do not attempt to modify or alter the bolt in any way, as this may compromise safety and reliability.
- When handling the bolt, wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, to prevent injury.
- Be aware of your surroundings and ensure that you are in a safe environment when using the firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing bolt from the firearm according to the manufacturer's instructions.
- Insert the new Daniel Defense 5.56 Bolt into the bolt carrier group.
- Ensure that the gas rings, extractor, and ejector are properly seated and installed.
- Reassemble the firearm and perform a function check to ensure proper operation.

### 2. Usage:

- Always wear eye and ear protection when firing.
- Follow the manufacturer's guidelines for ammunition and loading procedures.
- Maintain a safe distance from others while firing.
- If a malfunction occurs, cease firing immediately and follow appropriate clearing procedures.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous materials.
- Do not dispose of the bolt in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.
