Safety Instruction Guide for Lee Case Length Gauge and Shell Holder

Introduction

Thank you for choosing the Lee Case Length Gauge and Shell Holder for .300 Savage. This product is designed to assist you in achieving precise case trimming and squaring of the case mouth. To ensure safe and effective use, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always read and understand the instructions before use.
- Use the product in a well-ventilated area to avoid inhalation of any dust or debris.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- If you experience any issues with the product, stop using it immediately and seek assistance.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when operating the product.
- Ensure that the workspace is clean and free of clutter to prevent accidents.
- Be cautious of sharp edges and moving parts during use.
- Do not exceed the recommended specifications for the product.
- Avoid using the product if you are under the influence of drugs or alcohol.
- Do not modify or alter the product in any way that could compromise its safety or functionality.

Instructions for Installation and Usage

1. Unpacking the Product

- Carefully remove the Lee Case Length Gauge and Shell Holder from the packaging.
- Inspect the product for any damage. If damaged, do not use and contact the manufacturer.

2. Setting Up the Product

- Ensure that you have the necessary tools, including the Case Conditioning Kit, Cutter and Lock Stud, or 3 Jaw Trimming Kit.
- Follow the specific setup instructions provided with the trimming kit you are using.

3. Using the Case Length Gauge

- Insert the case into the gauge, ensuring it fits securely.
- Follow the manufacturer's guidelines for trimming the case to the desired length.
- Use a steady hand and apply even pressure to achieve accurate results.

4. Cleaning and Maintenance

- After use, clean the product with a soft cloth to remove any debris.
- Store the product in a dry place to prevent rust and damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is no longer usable, consider recycling parts where applicable.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact details provided in the product packaging or on their official website.

By following these safety instructions, you can ensure a safe and effective experience while using the Lee Case Length Gauge and Shell Holder. Thank you for your attention to safety, and enjoy your reloading process!
