# Safety Instruction Guide for Lee Case Length Gauge and Shell Holder

## Introduction

Thank you for choosing the Lee Case Length Gauge and Shell Holder for your reloading needs. This product is designed to help you achieve precise case trimming and squaring of the case mouth. Please read this safety instruction guide carefully to ensure safe and effective use of this product.

## General Safety Guidelines

- Always handle the product with care to avoid injury.
- Ensure that the workspace is clean, dry, and free from any obstructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all instructions provided in this guide for safe operation.
- Report any unsafe product issues or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when using the case length gauge.
- Avoid wearing loose clothing or jewelry that may get caught in the equipment.
- Ensure that the gauge is securely attached to the shell holder before use.
- Do not exceed the recommended trimming length to avoid compromising the case integrity.
- Handle sharp edges with caution to prevent cuts or injuries.
- If using power tools, ensure they are properly maintained and used according to the manufacturer's instructions.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools including the Lee Case Length Gauge, Shell Holder, and any additional tools from the Case Conditioning Kit or Trimming Kit.
- Ensure your workspace is organized and free of distractions.

### 2. Installation

- Attach the shell holder to your reloading press according to the manufacturer's instructions.
- Secure the Lee Case Length Gauge in the appropriate holder or fixture.
- Verify that all components are tightly secured before proceeding.

### 3. Usage

- Insert the case into the shell holder and ensure it is properly aligned.
- Carefully operate the press to trim the case to the desired length.
- Regularly check the length of the case to ensure accuracy.
- After use, remove the case and clean the gauge to prevent debris buildup.

## Disposal Instructions

- Dispose of any used or damaged components in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the Lee Case Length Gauge and Shell Holder, please reach out to your local retailer or the manufacturer directly. Ensure that you have your product information on hand when seeking assistance.

By following these guidelines, you can ensure a safe and effective experience with your Lee Case Length Gauge and Shell Holder. Thank you for prioritizing safety in your reloading practices.
