Safety Instruction Guide for RCBS Shellholder #19

Introduction

Thank you for choosing the RCBS Shellholder #19. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before use to minimize risks and enhance your experience.

General Safety Guidelines

- Ensure that the shellholder is compatible with your reloading press and the cartridges specified.
- Always handle the shellholder with care to avoid injury.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Regularly inspect the shellholder for any signs of wear or damage before use.
- Follow all manufacturer guidelines related to the use of reloading equipment.

Specific Safety Precautions for Use

- Use the shellholder only for the cartridges specified: 6.8 mm Remington SPC, 30 Remington, and 224 Valkyrie.
- Do not exceed the recommended load limits when reloading ammunition.
- Always wear appropriate safety gear, including safety glasses and gloves, when reloading.
- Ensure that your workspace is clean and free of any obstructions or hazards.
- In case of any malfunction or abnormal operation, stop using the shellholder immediately and consult a qualified technician.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is turned off and unplugged before installation.
- Select the appropriate shellholder for the cartridge you intend to reload.
- Firmly insert the shellholder into the reloading press, ensuring it is securely in place.

2. Usage:

- Prepare your workspace by organizing all necessary tools and materials.
- Insert the cartridge case into the shellholder, ensuring it fits snugly.
- Follow the specific reloading instructions for your cartridges, paying close attention to measurements and safety precautions.
- After reloading, carefully remove the cartridge from the shellholder.

Disposal Instructions

- Dispose of any damaged or worn shellholders in accordance with local regulations.
- Do not throw shellholders in regular household waste; check for recycling options or hazardous waste disposal facilities.

Contact Information for Further Support

For any safety inquiries or concerns regarding the RCBS Shellholder #19, please contact the manufacturer or

your local distributor. Ensure you have the product details at hand for a more efficient response.

Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience with your RCBS Shellholder #19. Remember to stay informed about any product recalls or safety updates through official channels. Your safety is our priority.
