Safety Instruction Guide for RCBS Shellholder #23

Introduction

Thank you for choosing the RCBS Shellholder #23. This product is designed to provide reliable performance for reloading cartridges, specifically the 32 H&R Magnum and 32 S&W Long. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this manual.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean and free of clutter before beginning any reloading activities.
- Keep the Shellholder out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage to the Shellholder.
- Report any unsafe conditions or incidents to the relevant authorities.
- Be aware of the potential hazards associated with reloading ammunition and take necessary precautions.

Specific Safety Precautions for Use

- Use only the designated cartridges (32 H&R Magnum and 32 S&W Long) with this Shellholder.
- Avoid using the Shellholder with any other calibers or types of ammunition.
- Ensure that the Shellholder is properly secured in the reloading press before use.
- Do not exceed the recommended load limits when reloading ammunition.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading materials.
- Keep all components of the reloading setup away from heat sources and open flames.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is turned off and unplugged before installation.
- Locate the Shellholder slot on your reloading press.
- Insert the Shellholder #23 into the slot until it is securely in place.
- Doublecheck that the Shellholder is properly seated and locked in.

2. Usage:

- Prepare your workspace by organizing all necessary tools and materials.
- Load the appropriate cartridge (32 H&R Magnum or 32 S&W Long) into the Shellholder.
- Follow the reloading press instructions for operating the press and seating the primer.
- Monitor the reloading process closely to ensure safety and accuracy.

Disposal Instructions

- Dispose of any damaged or worn Shellholders in accordance with local regulations.
- Do not dispose of Shellholders in regular household waste. Instead, contact local waste management authorities for proper disposal methods.
- Ensure that all reloading materials are discarded safely and responsibly.

Contact Information for Further Support

For any questions or concerns regarding the RCBS Shellholder #23, please reach out to your local retailer or the manufacturer's customer service. Ensure you have your product details handy for efficient assistance.

By adhering to these guidelines, you can ensure a safe and effective reloading experience with the RCBS Shellholder #23. Thank you for your attention to safety and compliance.
