LOCKNLOAD MODIFIED CASES 17 HORNET

MODIFIED CASE Safety Instructions

Introduction

Thank you for choosing the LOCKNLOAD MODIFIED CASES 17 HORNET MODIFIED CASE. This product is designed to enhance your reloading experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide thoroughly to understand the safe use and handling of this product.

General Safety Guidelines

- Always ensure that you are using the product in a safe environment.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any product recalls or safety updates on the EU's Safety Gate platform.
- Report any unsafe products or incidents to the relevant authorities immediately.
- Ensure that you follow all local regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the modified cases are compatible with your Hornady LockNLoad Gauge. Modified cases will not function properly in tight neck chambers.
- **Inspection:** Before each use, inspect the modified cases for any signs of damage or wear. Do not use damaged cases.
- **Handling:** Handle all reloading components with care. Avoid dropping or mishandling the modified cases to prevent any potential damage.
- **Storage:** Store the modified cases in a cool, dry place away from direct sunlight and moisture to prevent degradation.
- **DistractionFree Environment:** Use the product in a distractionfree environment to maintain focus and ensure safety during operation.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have all necessary tools and components ready before starting.
- Review the instructions provided with your Hornady LockNLoad Gauge.

2. Installation:

- Insert the modified case into the Hornady LockNLoad Gauge according to the manufacturer's instructions.
- Ensure the case is securely in place before proceeding.

3. Usage:

- Follow the specific instructions for measuring bullet seating depth as outlined in the Hornady LockNLoad Gauge manual.
- Do not force any components together; if resistance is felt, check for compatibility issues.
- After use, carefully remove the modified case from the gauge.

4. PostUse Care:

- Clean the modified cases as recommended to maintain their integrity and longevity.

- Store the modified cases properly after use to prevent damage.

Disposal Instructions

- Dispose of any damaged or worn modified cases in accordance with local regulations regarding hazardous materials.
- Do not dispose of modified cases in regular household waste if they are considered hazardous.
- Contact your local waste management authority for guidance on safe disposal methods.

Contact Information for Further Support

For further assistance or inquiries regarding the LOCKNLOAD MODIFIED CASES 17 HORNET MODIFIED CASE, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the LOCKNLOAD MODIFIED CASES 17 HORNET MODIFIED CASE responsibly.
