

# PICATINNY AFG2 ANGLED FORE GRIP - MAGPUL PICATINNY AFG2 ANGLED FORE GRIP POLYMER FLAT DARK EARTH

[Rifle Parts](#) > [Grip Parts](#) > [Foregrips](#)

Low-profile forward grip/hand stop takes advantage of natural body mechanics to give the shooter more precise control, faster pointing, and less operator fatigue. The Magpul AFG™ (Angled Fore Grip) positions the support hand close to the centerline of the bore for maximum recoil control to aid in fast, accurate follow-up shots. Provides a consistent reference point for finding the correct hand position quickly when mounting the weapon under stress. The natural, ergonomic hand position with the palm facing up results in better blood flow than the “clenched fist” stance often used with vertical grips that leads to fatigue and loss of sensation during long periods in the ready position. Improves on the “thumb break” hold often used with standard vertical grips by allowing the thumb to rest comfortably alongside the top rail, pointing forward, with the rest of the hand in full contact with the forend. Heavy-duty reinforced molded polymer construction stands up to the hard knocks of tactical operations, and deep, molded-in grooves help you maintain a firm grip even with wet hands. Interchangeable inserts give the choice of a straight, uninterrupted gripping surface or one with a convenient ledge to support the index finger. Slides over any Picatinny-style rail and locks securely in place with a hardened steel crossbolt. The more compact AFG2™ is shorter and narrower to take up even less rail space, with enough clearance to fit a larger variety of weapons. Both models may be installed on tactical shotguns and other rifles with railed foreends; won’t interfere with insertion and removal of magazines on AK-47s.

## Attributes

- Name: [MAGPUL PICATINNY AFG2 ANGLED FORE GRIP POLYMER FLAT DARK EARTH](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100010590
- Mfr. No.: MAG414-FDE
- Attachment: Picatinny
- Colour: Flat Dark Earth
- Material: Polymer
- Weapon type: AR-15
- Delivery weight: 0.104kg
- Shipping height: 38mm
- Shipping width: 76mm
- Shipping length: 165mm
- UPC: 873750003436

## Item details

Made in USA

US export classification: 0A501.y.1

# Safety Instruction Guide for the PICATINNY AFG2 ANGLED FORE GRIP

## Introduction

Thank you for choosing the PICATINNY AFG2 ANGLED FORE GRIP by Magpul. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your fore grip. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the fore grip is compatible with your weapon's rail system before installation.
- Always handle firearms with care and follow standard firearm safety practices.
- Inspect the fore grip for any signs of damage or wear before each use.
- Keep the fore grip and all firearms out of reach of children and unauthorized users.
- In case of any malfunction or if you suspect the product may be unsafe, cease use immediately and seek assistance.

## Specific Safety Precautions for Use

- Do not exceed the weight limit specified for the fore grip to prevent breakage or detachment during use.
- Avoid using the fore grip in extreme weather conditions that may affect its material properties.
- Ensure that your hands are dry and clean when gripping the fore grip to maintain optimal control.
- Do not modify the fore grip in any way, as this may compromise its safety and performance.
- Be aware of your surroundings and ensure that you have a clear line of sight when using your firearm equipped with the fore grip.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the weapon is unloaded and the safety is engaged before installation.
- Locate the Picatinny rail on your firearm where you intend to install the fore grip.
- Align the fore grip with the rail and slide it into place.
- Secure the fore grip by tightening the crossbolt with an appropriate tool until it is firmly in place. Do not overtighten.

### 2. Usage:

- Place your support hand on the fore grip with your palm facing up to utilize the ergonomic design.
- Maintain a firm grip while aiming and firing to enhance control and accuracy.
- Use the thumb break hold by resting your thumb alongside the top rail for better stability and comfort.

## Disposal Instructions

- Dispose of the fore grip in accordance with local regulations for plastic and polymer materials.
- Do not incinerate or expose the product to extreme heat, as this may release harmful substances.

## Contact Information for Further Support

For any inquiries regarding safety or product information, please reach out to your local retailer or

manufacturer. Always ensure you have the latest updates and safety notices related to your product.

By adhering to these guidelines, you can ensure a safer and more effective experience with your PICATINNY AFG2 ANGLED FORE GRIP. Thank you for your attention to safety.
