Safety Instruction Guide for Double Star AR15 Lower Parts Kit

Introduction

Thank you for purchasing the Double Star AR15 Lower Receiver Parts Kit. This kit contains all the necessary components to complete a stripped AR15 lower receiver. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe use and installation of the product.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the installation and usage of the kit comply with local laws and regulations.
- Keep the kit and its components out of reach of children and unauthorized users.
- Regularly inspect the components for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only in accordance with the intended purpose.
- Wear appropriate personal protective equipment, including safety glasses and gloves, during installation.
- Ensure that the workspace is clean, organized, and free from distractions.
- Do not attempt to modify or alter any components of the kit.
- Handle all parts with care to avoid injury or damage.
- Ensure that the firearm is unloaded and pointed in a safe direction during installation.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a punch set, screwdriver, and any other required tools.
- Ensure you have a clean, welllit workspace.

2. Installation Steps

- **Fire Control Group**
 - Install the fire control group according to the manufacturer's specifications.
- **Fire Control Group Pins and Springs**
 - Insert the pins and springs securely to ensure proper function.
- **Bolt Catch Assembly**
 - Attach the bolt catch assembly following the instructions provided.
- **Magazine Catch Assembly**
 - Install the magazine catch assembly, ensuring it is secure.
- **Front Pivot Pin and Rear Takedown Pin**
 - Insert both pins into the designated locations on the lower receiver.
- **Takedown Springs and Detents**
 - Place the takedown springs and detents in their respective positions.
- **Trigger Guard Pin**
 - Secure the trigger guard pin to hold the trigger guard in place.
- **Pistol Grip**
 - Attach the pistol grip using the provided screw and washer.
- **Buffer Detent and Buffer Detent Spring**

- Install the buffer detent and its spring as per instructions.

3. Final Checks

- Ensure all components are installed correctly and securely.
- Conduct a function check of the assembled lower receiver.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If any components become damaged or are no longer usable, dispose of them in accordance with local hazardous waste disposal regulations.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Double Star AR15 Lower Receiver Parts Kit, please refer to the manufacturer's website or contact customer support directly.

Thank you for prioritizing safety while using the Double Star AR15 Lower Parts Kit. Always remember that responsible handling and adherence to safety guidelines are crucial for a safe and enjoyable experience.
