PCT1911 Plug Capture Tool Safety Instruction Guide

Introduction

Thank you for choosing the PCT1911 Plug Capture Tool by Present Arms Inc. This tool is designed to assist in safely unlocking the barrel bushing of a 1911 firearm while providing full coverage of the recoil plug. This safety instruction guide outlines essential safety guidelines, precautions, and instructions for the proper use and disposal of the tool in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the PCT1911 Plug Capture Tool is used only for its intended purpose.
- Always read and understand the instructions before using the tool.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool for any signs of damage before each use. Do not use if damaged.
- Use the tool in a welllit area to ensure visibility during operation.
- Follow all local laws and regulations regarding firearm maintenance and safety.

Specific Safety Precautions for Use

- Always engage the barrel bushing at the 3 o'clock position and rotate clockwise to 6 o'clock to unlock.
- Maintain a firm grip on the tool to prevent slipping during use.
- Avoid placing fingers near the barrel bushing or recoil plug during operation.
- Do not force the tool if resistance is encountered; reassess the position of the barrel bushing and the tool.
- Ensure that the firearm is unloaded and pointed in a safe direction before using the tool.
- Wear appropriate safety gear, such as safety glasses, to protect against any accidental discharges or debris.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and in a safe condition.
- Gather the PCT1911 Plug Capture Tool and any necessary tools for firearm maintenance.

2. Using the Tool:

- Position the PCT1911 Plug Capture Tool at the 3 o'clock position of the barrel bushing.
- Rotate the tool clockwise until you reach the 6 o'clock position to unlock the barrel bushing.
- Keep the tool in place to maintain coverage of the recoil plug during this process.

3. PostUse:

- After unlocking the barrel bushing, carefully remove the tool.
- Store the tool in a safe place, out of reach of children and unauthorized users.

Disposal Instructions

- Dispose of the PCT1911 Plug Capture Tool responsibly.
- If the tool is damaged beyond repair, consider recycling it in accordance with local regulations regarding synthetic materials.
- Do not dispose of the tool in regular household waste if it can be recycled.

Contact Information for Further Support

For any safety inquiries or concerns regarding the PCT1911 Plug Capture Tool, please refer to the contact information provided with your product packaging.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your PCT1911 Plug Capture Tool.
