# **PACLITE 4.5" TE BLACK NO FLUTES Safety Instruction Guide**

## **Introduction**

Thank you for choosing the PACLITE 4.5" TE BLACK NO FLUTES barrel upgrade by Tactical Solutions, LLC. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before using the product.

## **General Safety Guidelines**

- Ensure that the PACLITE barrel upgrade is only used with compatible Ruger® MK™ I, II, III, and 22/45™ semiautomatic pistols.
- Always handle firearms and firearm components with care and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the barrel upgrade for any signs of wear or damage before each use.
- Always wear appropriate safety gear, including eye protection, when using firearms.
- Follow all manufacturer instructions for installation and usage to avoid accidents and ensure proper function.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

## **Specific Safety Precautions for Use**

- Avoid using the PACLITE barrel upgrade with any Ruger® models not specified in this guide (e.g., MK IV).
- Do not modify the PACLITE barrel upgrade in any way, as this may compromise safety and performance.
- Ensure that the threaded end of the barrel is properly fitted with the included thread protector when not in use.
- When installing the barrel upgrade, ensure that it is securely attached to the firearm to prevent accidents during operation.
- Do not attempt to disassemble or repair the barrel upgrade unless you are a qualified gunsmith.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the firearm is unloaded and pointed in a safe direction before beginning installation.
- Remove the existing barrel from the Ruger® pistol according to the manufacturer's instructions.
- Align the PACLITE barrel upgrade with the receiver of the pistol.
- Securely tighten the barrel upgrade to the receiver, ensuring it is properly seated and aligned.
- Check that the adjustable rear sight and ramped front sight are properly positioned for optimal aiming.

### **2. Usage:**

- Load ammunition into the firearm according to the manufacturer's instructions.
- Always ensure the firearm is pointed in a safe direction when loading and unloading.
- Fire the firearm only in a safe and controlled environment, following all local laws regarding firearm use.
- After each use, clean and maintain the PACLITE barrel upgrade according to the manufacturer's guidelines.

## **Disposal Instructions**

- Dispose of the PACLITE barrel upgrade in accordance with local regulations for metal and firearm components.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**
