RSA Quick Detach Sling Attachment Safety Instructions

Introduction

Thank you for choosing the RSA Quick Detach Sling Attachment by Magpul. This product is designed to provide a secure and efficient way to attach your sling to a Picatinny rail system. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the RSAQD is compatible with your specific sling and firearm before use.
- Regularly inspect the attachment point and sling for any signs of wear or damage.
- Always use the product in accordance with the manufacturer's recommendations.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for slings and attachments.
- Ensure that the attachment point is securely fastened before use.
- Avoid using the product in extreme environmental conditions that may affect its performance.
- Be cautious when using the sling in dynamic situations; ensure that it does not interfere with the operation of your firearm.
- Always use the pushbutton release mechanism with care to avoid accidental detachment.

Instructions for Installation and Usage

1. Installation

- Ensure that the Picatinny rail surface is clean and free of debris.
- Align the RSAQD with the desired position on the rail.
- Securely fasten the attachment using the provided mounting hardware.
- Confirm that the attachment point is locked in place and does not move.

2. Usage

- Attach your sling to the RSAQD by pushing the QD connector into the attachment point until it clicks into place.
- To detach, press the pushbutton mechanism and gently pull the sling away from the attachment point.
- Adjust the sling length as needed for comfort and functionality.

Disposal Instructions

- Dispose of the RSAQD in accordance with local regulations regarding metal and plastic waste.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
