

# **LOCK-N-LOAD AP SHELLPLATE - #22 LOCK-N-LOAD AP PROGRESSIVE PRESS SHELLPLATE**

[Reloading](#) > [Shellholders & Shellplates](#)

Shell plates for Lock-N-Load AP and Pro-Jector are available to fit most calibers. Each shell plate will also hold additional calibers with the same case head dimensions. Current shell plates are designed to fit Lock-N-Load AP (both EZ-Ject and wire ejector models) and Pro-Jector presses. These shell plates require the purchase of the 749-012-552 Hornady Auto press retrofit kit if your press still has the OLD STYLE SPRING TYPE CARTRIDGE CASE EJECTOR SYSTEM. If you have any questions please contact your Sinclair tech 800-717-8211. View Hornady Shellplate Chart.

# LOCKNLOAD AP SHELLPLATE #22 Safety Instruction Guide

## Introduction

Thank you for choosing the LOCKNLOAD AP SHELLPLATE #22. This guide provides essential safety instructions, usage guidelines, and disposal instructions to ensure your safety and the effective operation of your product. Please read this guide carefully before using the shell plate.

## General Safety Guidelines

- Ensure you understand all safety instructions before using the LOCKNLOAD AP SHELLPLATE #22.
- Always handle the shell plate with care to avoid injury.
- Keep the shell plate out of reach of children and vulnerable individuals.
- Regularly inspect the shell plate for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding the use of reloading equipment and ammunition.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses when operating the press.
- Avoid wearing loose clothing or accessories that could get caught in the machinery.
- Ensure that the work area is clean and free from obstructions.
- Do not exceed the recommended caliber specifications for the shell plate.
- Never attempt to modify the shell plate or press in any way that is not recommended by the manufacturer.
- Be cautious when handling ammunition and ensure it is stored safely.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the press is turned off and unplugged before installation.
- Remove any existing shell plate from the press by following the manufacturer's instructions.
- Align the LOCKNLOAD AP SHELLPLATE #22 with the press mounting area.
- Secure the shell plate in place according to the manufacturer's guidelines.
- If your press has the OLD STYLE SPRING TYPE CARTRIDGE CASE EJECTOR SYSTEM, purchase the 749012552 Hornady Auto press retrofit kit for compatibility.

### 2. Usage

- Before starting, doublecheck that the shell plate is securely attached to the press.
- Load the appropriate caliber into the shell plate, ensuring it fits correctly.
- Follow the press's operational instructions for reloading.
- Monitor the operation closely for any unusual sounds or movements.
- If any issues arise, stop using the press immediately and consult the troubleshooting section of the press manual.

## Disposal Instructions

- Dispose of the LOCKNLOAD AP SHELLPLATE #22 in accordance with local regulations.
- If the shell plate is damaged beyond repair, ensure it is disposed of in a manner that prevents harm to

- the environment.
- Recycle materials when possible.

## Contact Information for Further Support

For any questions or concerns regarding the LOCKNLOAD AP SHELLPLATE #22, please contact your Sinclair tech at 8007178211. You can also view the Hornady Shellplate Chart for additional information.

## Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and effective reloading experience with the LOCKNLOAD AP SHELLPLATE #22. Always stay informed about product recalls and safety updates through the EU's Safety Gate platform. Thank you for choosing our product, and happy reloading!
