

# MATCH 6MM (0.243") HOLLOW POINT BOAT TAIL BULLETS - 6MM (0.243") 105GR HOLLOW POINT BOAT TAIL 500/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Hornady Boat Tail Hollow Point Bullets are manufactured using Hornady's Advanced Manufacturing Process (AMP). This allows for the best ballistic coefficient possible. The profile delivers low drag and flat trajectories. Swaged lead core provides uniformity and consistency. These BTHP bullets allow for unmatched accuracy at long distances.

# Safety Instruction Guide for MATCH 6MM (0.243") Hollow Point Boat Tail Bullets

## Introduction

Thank you for choosing Hornady MATCH 6MM (0.243") Hollow Point Boat Tail Bullets. These bullets are designed for precision shooting and longrange accuracy. Please read this safety instruction guide carefully to ensure safe handling and usage of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure safe use of all nonfood products, including ammunition.
- Be aware of risks associated with handling and using bullets, including potential injury or damage.
- Follow all local laws and regulations regarding the purchase, possession, and use of ammunition.
- Store ammunition in a cool, dry place, away from direct sunlight and out of reach of children.
- Use protective gear such as safety glasses and hearing protection when shooting.
- Never point a firearm at anything you do not intend to shoot.

## Specific Safety Precautions for Use

- Always treat every bullet as if it is loaded.
- Keep fingers away from the trigger until ready to shoot.
- Ensure the firearm is appropriate for the caliber of the bullets.
- Do not use damaged or corroded bullets.
- Verify that the bullet is seated properly in the cartridge case.
- Avoid using bullets in firearms that are not designed for them.
- Always follow the manufacturer's loading specifications to avoid excessive pressure or other hazards.

## Instructions for Installation and Usage

- Before loading, ensure that the firearm is pointed in a safe direction and is unloaded.
- Inspect the bullet and cartridge for any visible defects.
- Load the bullet into the cartridge case according to the manufacturer's specifications.
- Ensure the bullet is seated to the correct depth as per your loading manual.
- Store loaded cartridges in a safe, secure location.
- When ready to shoot, ensure the shooting area is clear of people and obstacles.
- Follow all firing range rules and regulations if shooting at a designated range.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not discard bullets in regular household waste.
- Contact local authorities or a licensed waste disposal service for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns, please reach out to your local Hornady representative or authorized dealer. They can provide additional support and guidance regarding the safe use of Hornady products.

## Conclusion

By following these safety instructions, you can ensure a safer experience while using Hornady MATCH 6MM (0.243") Hollow Point Boat Tail Bullets. Always prioritize safety and compliance with applicable laws and

regulations. Thank you for your commitment to responsible shooting practices.
