# Safety Instruction Guide for PARACLIP MAGPUL PARACLIP CLIPSTYLE ATTACHMENT

## Introduction

Thank you for choosing the PARACLIP MAGPUL PARACLIP CLIPSTYLE ATTACHMENT. This product is designed to provide a secure and convenient attachment point for your slings. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure that the PARACLIP attachment is used only as intended. This product is designed for use with 1 1/4" webbing and compatible attachment points.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided for returning or remedying the product.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations and provides adequate product information.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of children to prevent accidents.
- **EU Contact Point:** For any safety inquiries related to this product, please refer to the manufacturer's contact information found on the packaging or in the product documentation.
- **Rapid Alerts:** Stay updated on product safety issues through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Compatibility:** Only use the PARACLIP with compatible attachment points that have at least 3/8" loops.
- **Weight Limit:** Do not exceed the weight capacity of the clip when used with slings. Ensure that the combined weight of the attached items does not compromise safety.
- **Inspection:** Regularly inspect the PARACLIP for signs of wear, damage, or corrosion. Do not use if any defects are found.
- **Locking Mechanism:** Always ensure that the locking bar is fully engaged before use to prevent accidental detachment.
- **Environmental Conditions:** Avoid exposing the product to extreme temperatures or corrosive environments that could affect its integrity.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the webbing is clean and free of debris before installation.
- Slide the webbing through the clip's opening until it is securely positioned.
- Adjust the clip to ensure that it is aligned properly with the attachment point.
- Engage the locking mechanism by pushing the locking bar into place until it clicks.

### 2. Usage:

- Attach the PARACLIP to a compatible sling mount, ensuring it is securely fastened.
- When using the clip in conjunction with the MS1 sling, follow the specific instructions for that product to ensure proper functionality.
- When converting between a twopoint and onepoint sling, ensure that the adapters (MS1 MS3 or MS1 MS3QD) are properly attached and locked before use.

## **Disposal Instructions**

- Dispose of the PARACLIP responsibly. If the product is damaged or no longer in use, do not throw it in regular waste.
- Check local regulations for proper disposal methods for metal and plastic materials.
- Consider recycling the product if facilities are available.

## **Contact Information for Further Support**

For any questions or concerns regarding the use or safety of the PARACLIP MAGPUL PARACLIP CLIPSTYLE ATTACHMENT, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Thank you for your attention to these safety instructions. For your safety and the safety of others, please adhere to all guidelines and precautions outlined in this document.
