# MS4 GEN2 DUAL QD SLING SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the MS4 GEN2 Dual QD Sling by Magpul. This manual provides essential safety instructions, guidelines for proper use, and information on how to dispose of the product responsibly. Please read all instructions carefully to ensure safe and effective use of your sling.

## General Safety Guidelines

- Always inspect the sling for any signs of wear or damage before each use.
- Ensure that all connections are secure before using the sling with your firearm.
- Do not exceed the weight limit of the sling, as specified by the manufacturer.
- Keep the sling away from children and unauthorized users.
- Store the sling in a cool, dry place when not in use.
- Be aware of your surroundings when using the sling to avoid accidents.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- The sling is designed for use with firearms. Improper use can result in accidents.
- Ensure that the firearm is unloaded when attaching or detaching the sling.

- **Avoiding Hazards:**

- Do not use the sling if it is damaged or shows signs of wear.
- Always use the sling in accordance with the manufacturer's guidelines.
- Ensure that the sling is adjusted properly to prevent slipping or accidental release.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the QD attachment points on your firearm.
- Ensure the firearm is unloaded.
- Attach the QD sling swivels to the front and rear QD attachment points on the firearm until they click securely into place.
- Adjust the length of the sling to fit your body comfortably.

### 2. Usage:

- When using the sling, ensure that it is properly adjusted to maintain control of the firearm.
- Switch between onepoint and twopoint configurations as needed for your shooting style.
- Regularly check the connections during use to ensure they remain secure.

## Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the sling in regular household waste if it can be recycled.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the MS4 GEN2 Dual QD Sling, please contact the appropriate customer service or regulatory authority in your region. Ensure you have your product details handy for a more efficient response.

Thank you for your attention to these safety instructions. Your safety and the safety of others is paramount when using the MS4 GEN2 Dual QD Sling.
