

PICATINNY AFG2 ANGLED FORE GRIP - MAGPUL PICATINNY AFG2 ANGLED FORE GRIP POLYMER GRAY

[Rifle Parts](#) > [Grip Parts](#) > [Foregrips](#)

Low-profile forward grip/hand stop takes advantage of natural body mechanics to give the shooter more precise control, faster pointing, and less operator fatigue. The Magpul AFG™ (Angled Fore Grip) positions the support hand close to the centerline of the bore for maximum recoil control to aid in fast, accurate follow-up shots. Provides a consistent reference point for finding the correct hand position quickly when mounting the weapon under stress. The natural, ergonomic hand position with the palm facing up results in better blood flow than the “clenched fist” stance often used with vertical grips that leads to fatigue and loss of sensation during long periods in the ready position. Improves on the “thumb break” hold often used with standard vertical grips by allowing the thumb to rest comfortably alongside the top rail, pointing forward, with the rest of the hand in full contact with the forend. Heavy-duty reinforced molded polymer construction stands up to the hard knocks of tactical operations, and deep, molded-in grooves help you maintain a firm grip even with wet hands. Interchangeable inserts give the choice of a straight, uninterrupted gripping surface or one with a convenient ledge to support the index finger. Slides over any Picatinny-style rail and locks securely in place with a hardened steel crossbolt. The more compact AFG2™ is shorter and narrower to take up even less rail space, with enough clearance to fit a larger variety of weapons. Both models may be installed on tactical shotguns and other rifles with railed forends; won't interfere with insertion and removal of magazines on AK-47s.

Attributes

- Name: [MAGPUL PICATINNY AFG2 ANGLED FORE GRIP POLYMER GRAY](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100014453
- Mfr. No.: MAG414-GRY
- Attachment: Picatinny

Safety Instruction Guide for PICATINNY AFG2 ANGLED FORE GRIP

Introduction

Thank you for choosing the PICATINNY AFG2 Angled Fore Grip by MAGPUL. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read this document carefully to understand how to use the fore grip safely and responsibly.

General Safety Guidelines

- Ensure that the fore grip is compatible with your firearm's Picatinny rail before installation.
- Always handle firearms safely and responsibly. Follow all local laws and regulations regarding firearm usage.
- Keep the fore grip clean and free from debris to maintain its functionality.
- Inspect the fore grip regularly for signs of wear or damage. Do not use if damaged.
- Store the fore grip in a safe place, away from children and unauthorized users.
- If you experience any issues with the product, cease use immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before attaching or detaching the fore grip.
- When using the fore grip, maintain a proper grip to avoid slippage and ensure control.
- Avoid using the fore grip in wet conditions unless necessary, as it may affect grip stability.
- Be aware of your surroundings and ensure a clear line of sight before aiming or firing.
- Use the fore grip as intended to avoid any potential hazards associated with misuse.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Align the AFG2 Angled Fore Grip with the Picatinny rail on your firearm.
- Slide the fore grip onto the rail until it is securely in position.
- Use the hardened steel crossbolt to lock the fore grip in place. Ensure it is tightened properly to prevent movement during use.

2. Usage:

- Position your support hand on the fore grip with the palm facing up for optimal ergonomic support.
- Maintain a consistent grip on the fore grip during use to improve accuracy and control.
- Utilize the interchangeable inserts to customize the gripping surface according to your preference.

Disposal Instructions

- Dispose of the fore grip in accordance with local regulations for plastic products.
- Do not incinerate the product, as it may release harmful substances.
- If the product is damaged beyond repair, ensure it is disposed of safely to prevent potential hazards.

Contact Information for Further Support

For any questions or concerns regarding the PICATINNY AFG2 Angled Fore Grip, please refer to the

manufacturer's contact information provided with your product. Always ensure you are following the latest safety guidelines and regulations.

By following these safety instructions, you can ensure a safer and more enjoyable experience with your PICATINNY AFG2 Angled Fore Grip. Thank you for prioritizing safety in your firearm handling practices.
